"HEAT" ON COUNTY OFFICIALS

HOW IT LOOKS FROM A CORNER

By BILL KATZ

Towering in the confidence of youth, 124 students will be graduating from Jefferson high school tonight.

We realize it is usual for most papers to offer words of advice to the young men and women; but certain they have their heads full of such second hand wisdom, we take mercy and give them our blessing via a verse by one Wilhelm Busch:

"Youth should heed the older witted
When they say, don't go too far. . .
Now their sins are all committed,
Lord, how righteous they are."

Lovers of "odd balls," and characters will enjoy a book now at your Daly City Library. Entitled "English Eccentrics," it is written by a character in her own right, Edith Sitwell.

Within the covers of the book are such appealing characters as Dr. Parr who lived to be 140, married at 80, and had children at 120; Dr. Porsons who outwitted the wiley Dr. Johnson and several others, including a gentleman who spent his declining years riding the backs of crocodiles.

"Chi Chi" entertained the boys of the Lions Club Wednesday.

5-Day Week Soon For City Employes

City employees will soon be on the five day week.

That is the conclusion of a city official today who asserted the council will hand down a decision on the matter within the next week or two.

At present, the city police department is working 48 hours a week, the water department 44, and other city employees about 38 hours. But regardless of the number of hours worked, the majority of city employees either work a 5½ or 6 day week.

With the advent of the five day week, the city clerk's office and water department will still be open on Saturday morning, but working with a "skelton" crew, the official said.

Only additional expense to the city will probably be the employment of one more police officer to take up the "slack" when other officers' working time is cut down to 40 hours.

JOIN D. C. BOYS CLUB

All Lads Between 8 And 16 Eligible; Membership Applications Available

Members are still being accepted in the Daly City Boys Club today.

That was the announcement made at the board of directors meeting Wednesday night. The directors noted that the club will not officially open until after July 5, but boys wishing to join may do so at any time.

To qualify as a member, a lad must be between the ages of 8 and 16 years, and pay 50 cents dues every six months. This entitles him to take part in all Boys Club activities and to use the now repaired and remodeled headquarters at No. 2 Hillside boulevard.

Those wishing to make application to the club may do so by coming to the clubhouse, No. 2 Hillside boulevard, any evening between 7 and 10:30 o'clock.

Other business of the board Monday night was to choose officers. New chairman of the board is Mr. Rocky. He will be assisted by Frank Bria as secretary and William Finney as treasurer.

Calling for more interest in the club, the board this week issued the following statement:

"The boys of Daly City need your help. As you probably know the dwindling interest in the club by the adult residents of Daly City have caused the club to become practically non-existent.

"Recently the Daly City Record ran a series of articles intending to rouse the citizens to the need of a new boys club. The results of this campaign have been successful and a new sponsoring committee has been formed to re-open the club. Due to the efforts of this new group the club's building and equipment have been repaired and everything is ready for use.

"However, the club still needs YOU and YOUR support in order to be a complete success. There must be greater adult participation in the Daly City Boys Club in terms of both money and personal interest to give our boys a healthy outlet for their energies.

"Our next meeting will be on July 5 in the Daly City council chamber in city hall. If you find it impossible to attend, you may mail a contribution to Daly City Boys Club, No. 2 Hillside boulevard, Daly City.

DC To Be "Lit Up" Before Summer Ends

Daly City can look forward to being well "lit up" before the end of July:

Mayor Paul Green today reported that PG&E will install the remaining high powered mercury street lights down the length of Mission to Market street. Work is expected to begin next week.

This will make Daly City one of the best lighted communities in the area, Mayor Green noted.

Council To Call For Community Building Bids

Bids for the new $295,000 Community Memorial center will be requested at the next regular meeting of the city council, June 26.

This announcement came at the council meeting Monday night. It is expected that after the bids have been let in July, work will start on the Alp and Mission street center in early August.

Mayor Paul Green also announced that grading has been completed at Edgewood and Marchbanks parks. Also, the council approved the purchase of an aditional lot, at $850, for the new Frankfort park.

New Schools

Turning to the problem of new schools, Mayor Green said the city and the Jefferson elementary school district were "near agreement" on sites for three schools in Westlake.

The mayor, members of the school board, and other officials made a special field trip to Westlake last Saturday to look over the proposed sites. The school board, which now owns a 7½ acre site, has called for three more. . . 10 acres between Broadmoor and Highway No. 1; 7 acres between Highway No. 1 and the Olympic Club and 5 acres north of the present site for the upper Garden Village school.

The mayor said that before subdivision maps are filed, the school board would be notified of where schools may be placed in the respective Westlake divisions.

Elmer Kennedy, water department official, reported the new Junipero Serra well will be in operation "very shortly." All that stands between pumping water from the well to the Citrus station is 25 feet of additional pipe. Kennedy said the pipe had been

NEW OFFICERS OF EAGLES AND AUXILIARY INSTALLED

In a joint installation ceremony of the Colma Vista Grande Aerie No. 1848, FOE, and the Ladies Auxiliary last Thursday, the above officers took office. They are, ladies, left to right: Marjory Lynch, Dolly Lewkowitz, Edrie Summers Jr., Mary Vobaril, Donna Almquist, Brita Morris, Albert Diehel, Irene Prinzlon, Lorene Gardner, Dolores Warren, Marge Whitaker, Frances Nenstiel, Lillian Taggart and Clara Scally. By DOROTHY JOHNSON

One of the most beautiful ceremonies ever to be held in Daly City was the joint installation of the Colma Vista Grande Aerie No. 1848, FOE, and the Ladies Auxiliary last Thursday at the Masonic Temple.

Officers were installed by past presidents of the Aerie and the Mission Auxiliary No. 2877. Installing officers included: Arthur Bodien, past president and Irene Prinzlow, state past president. Installing marshalls were Fred Collins and Marge Witaker.

Members of the auxiliary installed as officers included:

Dolly Lewkowitz, jr. past madam president; Lorene Gardner, madam president; Alberta Diebel, madam vice president; Donna Almquist, madam chaplain; Dolores Warren, madam conductress; Brita Morris, inside guard; Edrie Sumners Jr., outside guard; Mary Voboril, Clara Scally Lillian Taggart, trustees.

Installed in offices for the aerie were Frank Davison, junior past worthy president; Reginald Calvert, worthy president; Wilbert Carrington, worthy vice president; Leonard Carter, worthy chaplain; J. Tom Rae, secretary; Otto Schramm, treasurer; Delbert Fehl, worthy conductor; Gerald Summers, inside guard; John Mona, outside guard; Emil Bertelli, Lawrence Romero, Frank Davison, and J. Tom Rae, trustees.

Honored guests of the evening were Tommy Goslin, state past president and Robert W. McLennan of Mission Aerie No. 2877.

The drill team, under the supervision of Marge Kennedy, performed their work with dignity and grace. They were lovely in blouses of blue, and skirts of black.

A bouquet of roses was presented to President Lorene Gardner by her daughter who sang "White Dove" in a clear, sweet voice that brought tears to the eyes of the new president, and many in the audience.

Songs were sung by Carol Freeland with Dorothy Traxler at the piano. The drum corps of the Aerie entertained also.

Madame President looked as if she had stepped out of a fairy tale book, and spoke with a sob in her voice that truly touched the people's hearts.

Altar and station clothes were given to the Auxiliary from Agatha Heyden. Mrs. Heyden handmade and painted the clothes. She also brought honor to the Auxiliary by being chosen hospitality chairman at the state convention.

Sara Black and Dorothy Johnson, both past presidents of the auxiliary spoke.

A white orchid was given the president by the Auxiliary and the Aerie presented her with a basket of flowers for the Auxiliary.

"RED" ROUTE FIGHT

Broadmoor Residents To Demand County Commissioners Rescind Friday's Action

Determined that there shall be no Broadmoor-Westlake connecting street through school property, representatives of 900 Broadmoor residents will carry their fight back to the county planning commission this Friday.

The commission, at a "special meeting" last Friday, approved the "red" route (east of White from 87th to Highway No. 1 and the Skyline boulevard), and referred the matter to the county board of supervisors.

Broadmoor spokesmen, who assert they were not notified of the meeting, will return to the commissioners this Friday to demand an explanation of the group's action, and request the commission review the whole case.

Action Unlikely

Frank Skillman, director-secretary for the commission, today said it was possible, but "highly unlikely" that the officials will rescind their Friday action.

"Unless the residents offer new facts and testimony, I hardly see how the commission would be justified in cancelling the recommendation to the board of supervisors," Skillman noted.

He further stated that the Broadmoor residents should now appeal to the board of supervisors, who must pass on the "red" route. The supervisors are expected to air the matter at their next regular meeting June 20.

Explaining the action of last Friday's special meeting, Skillman said:

"We had all the facts concerning the street before us. The matter has been kicking around for several months, and wishing to speed things along, we decided to pass on the "red" route at the special meeting."

No Obligation

He said the commissioners have no legal obligation to notify anyone of the "special meetings," or of action at the regular monthly conclaves.

Mrs. Eleanore Meitz, 530 87th, spokesman for the Broadmoor objectors, said she and several other residents would be present at the Friday meeting. She invited all interested parties to be on hand at Redwood City at 4 p.m. Friday.

While Mrs. Meitz's group is opposed to a connecting street through school property, the city of Daly City, the Westlake Association and the Jefferson elementary school board has gone on record in favor of the "red" route.

Smith Case Goes Into Final Round

Final arguments in the case of Daly City vs. H. H. Smith Sr., 187 Irvington, will be heard in San Mateo superior court today, June 15.

Smith has requested $206,274 for property and damages at the Wellington street "quarry." In condemnation proceedings, filed July 20, 1949, the city offered Smith $5,022 for ¾ of an acre of land through the "quarry" between Wellington and Hillside drive. The city asserts it needs the property to extend Brunswick street.

Claiming that the cut would ruin other acreage in the quarry, which he plans to use as a motel, Smith feels justified in asking the $206,274.

On the other hand, the city contends the extension of the street would add to the value of Smith's property.

The case is being tried before Judge Leonard Avilla from San Jose. A decision is expected sometime early next week.

White Elephant Pedro Valley Bound

On its way to Pedro Valley today is Daly City's prize "white elephant."

For the past several years a 1926 pump type fire engine has been gathering dust in a local garage. The old fire horse has cost the city from $150 to $200 a year in insurance.

Unable to sell the machine, or even give it away, Daly City was stuck with the antique until early this week when the Pedro Valley Improvement Association asked for the engine.

Moving fast, the city council Monday night bestowed the "gift" on Pedro Valley.

No one seems sure whether presence of this particular engine on the coastside will lower, or raise the fire insurance rates.

"Flood" Washes Away Highway

Traffic was back to normal on Highway No. 1 between Skyline and Junipero Serra today, following a flash flood Wednesday morning.

Grading for Doelger's Westlake project, a tractor knocked off a control valve on the 60 inch Sunset water main at 10:15 a.m. Wednesday.

Considerable road damage resulted before men of the San Francisco water department and Doelger's workers brought the "flood" under control one hour later.

During the attempt to stop the damaging flow of water, several of Doelger's men dropped a heavy section of tractor tread in front of the pipe. A moment later the steel tread was thrown into the road.

The raging torrent carried dirt away from under the paved highway, completely collapsing some 50 yards of road.

No one was injured.

After the water had been turned off, Doelger's men put down an auxiliary tar surfaced road around the damaged highway. This was in use today while workers were busy repairing the highway.

DC Men Elected To Party Staff

In addition to electing county and state candidates last Tuesday, voters also selected members of the central committees of the Republican and Democratic parties.

Members of the committees do much of the campaign work necessary for the November general election.

Following are the men from the Daly City area elected to the committees.

Republican — (first district): Mel D. Battye, Thomas J. Callan, Henry E. Venturi and Hugh H. Smith Jr. None of the four were opposed, and all were elected.

Democrat (first district)— Arnold C. Johnson, William I. Farmer, John J. Murphy, George F. Wheeler, Vivien C. Hunting, Harj Bailey, Emmett I. Campion. Julius F. Castelan, with 3,465 votes, was not elected.

TROMBORG AND SON, PLUMBERS, MOVE TO 6512 MISSION STREET

Keeping pace with growing Daly City, Tromborg & Son, widely-known plumbers, have moved their business to more spacious and modern quarters at 6512 Mission street, in the heart of the shopping center.

Formerly located at 26 Hillcrest drive, Tom Tromborg explained that with the constant influx of people here, it became imperative for him and Tom Jr. to find a site that is readily accessible and easy to find.

Said Tom, "You know, we specialize in plumbing repairs, therefore it is essential that we are right under people's noses, so to speak.

"Furthermore, there is no job that is too small for us to undertake. We will gladly go and change a washer, if required, and not only that, we will have it done in 30 minutes, generally.

"Of course, the last statement requires a little qualifying, for instance, if the party lives more than an half hour's ride from here. However, let it suffice to say that we try to please everyone, and while that is impossible, still we try.

"Nevertheless, the matter of speedy compliance is very important these days. I can remember back when the next day or two after receiving an order was soon enough to attend to it, but not now. Instead, just about everyone wants immediate response."

Tom has been in Daly City for 35 years, hence he knows whereof he speaks. Moreover, there are four generations of Tromborgs residing here.

Tom is a graduate of Woodrow Wilson school, and when he decided on plumbing as his profession, entered the employ of Dave Campbell, for years a leading plumber hereabouts.

Following apprenticeship, Tom continued in the service of Campbell for a number of years, and then, at the propitious time, went into the plumbing business on his own.

Associated with him is his eldest son, Tom Jr., who was born and raised in Daly City. After graduating from Jefferson High School the younger Tromborg went to work for his father.

Tom has a younger son, Milton, now in the same high school, and he anticipates that the firm will have another member when that youth enters business.

With it all, Tom is a big booster of Daly City. He foresees the time when this will be leading residential center, and not too far off, at that.

He bases his opinion on the amount of building construction going on in this area. He is in close touch with it, and the potential erection of homes.

Adm. Officer Named Soon

Daly City's first administrative officer is expected to be named sometime next week.

The city council is now completing interviews of the 12 prospective candidates for the $400 to $600 a month job. Although no names have been released, it is expected that council's choice will be a resident of San Mateo county.

As city administrative officer, the man selected will act as a coordinator of city affairs. Although he will have no legislative or judicial powers, the council is expected to follow his recommendations in city matters.

Col. Edmonds Dies Sunday

Alvin S. Hatch, Half Moon Bay, today is the new chairman of the San Mateo county board of supervisors.

He took over the post when Col. Henry W. Edmonds died of a heart attack at his home early Sunday.

The position left vacant by Edmonds is to be filled by an appointment of Gov. Earl Warren. However, whoever is appointed will have to run for office in the November general election.

Col. Edmonds, who spent 30 years in the regular army, was 67 years old at the time of his death. He had been chairman of the supervisors for the past 18 months.

NEXT WEEK

The Daly City Record will publish the story of Henry Doelger, Westlake master builder.

Market Basket Opens Today

After unavoidable delays on their part, the owners of the Market Basket store at 6318 Mission street now have everything in readiness for the gala opening today.

Bud Holmes and Tony Burkard revealed that the cost to them was a number of sleepless nights, nevertheless, they have readied everything down to the last detail.

With it all, they said the end was worth the effort for they believe they have a market that will bring satisfaction to the customers as well as themselves.

In discussing the matter, they divulged that opening and operating a food dispensing unit today, is a challenge invoiving the keenest senses at their command.

They asserted, "You know, it isn't merely a matter of stocking many shelves with cans of edibles. Instead, if the average person was

TIMOSSI MOTORS HAS NEW HOME AT 6888 MISSION

Adding stature to Daly City's claim to an "automobile row," A. L. "Til" Timossi moved into a new $100,000 "home" last Saturday. As Chrysler-Plymouth representative, Til will handle the sales and services of these two widely-known products, plus general repairs to all makes. —PHOTO BY DONNELY

SUMMER RECREATION OPENS MON.

By ELMAN ROSE
Recreation Director

School is out. Summer is here, and summertime is playtime.

Boys and girls, the Daly City Recreation department has planned many interesting activities for you, and the playground directors are waiting to help you have fun.

Beginning this Monday, June 19, playgrounds will be open and supervised six days a week. They will open on Monday and run through to Friday from 9:30 to 5:30 p.m. . . . Saturday, 9:30 a.m. to 1 p.m.

The five playgrounds open will include: Marchbanks, Jefferson high school, Lincoln, Jefferson elementary and Crocker elementary.

In addition, two crafts centers will be open, and evening activities are scheduled at Bellevue and Castle recreation halls.

Here is a sample of the many things to interest both young and old alike. . . . baseball and softball leagues, a city wide tournament every week, free movies every Monday, a special event on Friday, folk dancing, an outing every Wednesday, and arts and crafts.

But that is not all. Come and see us, and let us tell you more.

Watch the Daly City Record next week for the full schedule of summer activities. Also, through the summer, the Record will give a full account of coming events.

For children 8 years and under, a dramatics and rhythmics, as well as crafts program is planned. They will also have supervised playground activities.

Included in the teen-age and adult summer recreation program will be a twilight softball league.

All children have been issued copies of the summer recreation schedule. Study it, and pick out what you want. See the playground directors for details, or contact the Recreation department office at city hall.

How It Looks

(Continued from Page 1)

She is a pert young miss who flaunts her talents without the handicap of inferiority, or clothes. Without any undue bragging, "Chi Chi" noted that there are only 20 other such entertainers in the country.

After seeing her perform, the amazed Lions admitted she had something to make any group stand up and cheer.

However, before she put on her act "Chi Chi" had a friendly lunch with the boys. Her eating habits puzzled a few of the Emily Post fans, who never saw a lady down peas with her fingers.

However, all was forgiven when Grant Williams explained that "Chi Chi" is a native of the East Indies. There gals forego the necessity of eating utensils.

Following the feed, the petite young femme went into her act.

Oh yes, for the benefit of the wives, "Chi Chi" is not a fan dancer. No, something more rare. . . she is a lovely six pound gibbon, the smallest of all antropoid apes.

And getting back to good quotes applicable to graduation, we picked this one up the other day:

"There is now less flogging in our schools than formerly, but there is less learned there; so that what the boys get on one end they lose at the other."

. . . which may be a bit exaggerated, but might be a good lesson for those who believe in raising children without discipline.

Sheridan PTA Holds Last Meet

Sheridan PTA held its last meeting of the school term on Tuesday, June 6.

The school orchestra entertained the group by playing three pieces. Mrs. R. W. Niemi, Vice Counselor for New Mission Section reported on the recent CCPT convention held in Santa Cruz. Mrs. Louis Palmini, historian, read the last year's history of the unit.

Sheridan PTA's annual summer picnics to be held on alternate Wednesdays, was announced by Mrs. A. Neenan, the new Recreation Chairman. The first picnic to be held at Fleishhacker Playground, June 21, at 11:00 a.m. Meeting place—where the picnicing tables are located; so we can all enjoy our lunch together. Advance notices will be posted in the Ocean View branch library.

In keeping with June's theme "Freedom to Grow Through Physical Culture," Mrs. Alice Higgins from the Board of Education Physical Education Department, showed a film entitled "Our Posture," which was very helpful on how to attain good posture. Mrs. Higgins, also gave us some very good examples on how to stand, sit and walk correctly, with demonstrations given by several students of Sheridan School.

Building Bids

ordered, and would be here within a week.

Fire Department

The council also accepted a list of some 25 applicants for the Daly City fire department. All of the men have passed the civil service tests, and will be chosen for the various companies as vacancies occur.

Also, the registration of Dean Wood from Company No. 1 was accepted, and George Volkman. Company No. 6, was dropped from the fire department rolls, as he is no longer a resident of Daly City.

Turning to the Concordia improvement district, the council approved the auctioning of seven lots in that area. The lots will be "on the block" at some future date. Further information may be obtained from B. C. Ross, city clerk.

Catherine Tabor was accepted as a junior clerk in the water department, as she has successfully fulfilled her six months probation period.

Petition

A petition from 13 property owners on E. Cavour street was read, requesting the removal of an old garage which they believe is a "fire and health" hazard. George Hopman, building inspector, was ordered to look over the property, and give his recommendation at the next meeting of the council.

And on the request of the civil service commission, the council considered a raise of from $350 to $400 a month for Hopman. The pay boost was turned over to the finance committee for their consideration in the light of the 1950-51 budget.

Only one bid, from John K. Colman, was received for removing two buildings from the site to be used for the new Community Memorial building. He bid $1,500. The council decided to "lay over" the bid for further consideration.

Market Basket

aware of what was required, he or she would be astonished.

"First, is the problem of a speedy operation. Then there are the questions of the right foods, where they are placed, how they can suggest themselves, lighting, cooling systems and a thousand and one other details.

"However, when the job is all done, there is enough satisfaction in it to make us feel the sense of accomplishment, and after all, what else is there in life."

In this regard, Tony and Bud have gone to great lengths to insure an interesting opening of their number two market, the other being located at 5901 Mission street.

There will be something doing all the time from this morning up to Saturday night when they ring down the curtain on their spectacular show, so to speak.

Several of the manufacturers will have representatives present to demonstrate their wares in an interesting fashion. There will be baskets of food given away every hour on the hour today. A loud speaker will be employed to apprise everyone about what is going on. Gardenias will be presented to all members of the fair sex while kids will receive candy and ice cream.

As if that weren't enough, there will be samples to taste or take home, and specially priced items, as advertised in the Daly City Record and Shopping News, will be temptingly displayed on all counters.

With it all, Bud and Tony asked that a sincere invitation be given to everyone to stop by and join in the fun.

'Twill Be Clean At Salinas Rodeo

People planning to see the California Rodeo in Salinas, June 22 thru June 25, will enjoy clean surroundings and a dustless track and arena.

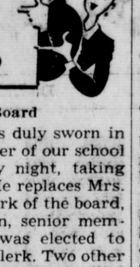
Directors of this big western sporting event have long realized the value of providing customers with facilities for comfort and clear visibility. As a result parking areas have been planted with grass, and entrance to the grandstand is possible without ruining clothing and shoes.

Strangely enough, the track and arena both appear to be natural soil. However, observers will note a peculiar action of any dust stirred by racing or bucking stock. The dust, never rising to any appreciable height, will settle immediately. This is because the soil has been treated with ocean brine obtained from nearby salt works, and hauled to the grounds in tank trucks. Proximity to the California coast has made this possible, and at the same time accounts for the cool comfortable climate of Salinas.

Arena contestants and track performers both prefer natural soil surfaces to turf or tanbark, and to them, as well as the spectators, the California Rodeo working conditions are "tops."

BAYSHORE VISITACION VALLEY

By Bernice Hendryx JUniper 4-6449



It's sad but true! Bayshore has another problem. Seems as though our San Mateo Board of Supervisors has seen fit to cut out all allocations for recreation in unincorporated areas. (That's us.)

Up until now, the county has given us back some of our taxes we pay in the form of a recreational director on the school grounds after school and during vacations, and also two directors one night a week at the Sanatation Board Hall for dancing, games, etc.

As of this week, recreational facilities here are extinct as far as our county is concerned, so it is laid in the lap of all of us that have children, and all of us that are childless but don't want the youngsters spending all their time loafing on our front porches. As individuals, we must find some way of uniting ourselves to remedy at least part of this situation.

We do have one ray of sunshine. The school board voted to use some of their funds to keep our schoolground director on the job, but they do not feel that they wish to take on the evening recreation expense.

Recreation Cost

This evening recreation is not as expensive as it may sound at the outset. Actually, the directors are paid $1.25 an hour, and evening recreation is usually confined to two hours, from 7 to 9. That would make a total of $5.00 an evening for two directors.

If our figuring were based on a two evening a week scale, our output would be approximately $50 a month, which would cover salaries and a few games and material to be purchased for use in this program. Several women have already discussed ways and means that could be used to approach the people in our community in an effort to get your cooperation. A thing like this hits us cold, and we are simply a group of people that are interested in our youngsters to give our time if it can be utilized to an advantage. I would like to hear from any of you that feel that this would be good or bad, whichever your reaction is. Any comment or advice would be welcome, so give me a call and tell me what you think could be worked out. Surely, in a community of this size, we could raise an amount like this.

Mr. Coffman, one of the men from our Naval Project has agreed to give a hand to our scouts by arranging for loan of movie films from the Navy. One of the films has already been shown to the Boy Scouts last week, and we are hopeful that this program will be continued at intervals.

Revival

The Baptist church is swinging into their big revival week with a Sunday morning service of "The Revival America Needs." Sunday evening will be "A Vineyard, A Foxhunt, And A Revival." The program Tuesday evening is something to look forward to, entitled "Hen-pecked Husbands & Foolish Wives." Wednesday night will feature one of the biggest birthday cakes that's ever been seen in these parts, with a slice for all comers.

Dan Blaga, Scoutmaster, took a group of Girl and Boy Scouts swimming at Treasure Island this Wednesday. Blaga has promised as full a program as he can manage for his scouts.

School Board

Mr. D. Barry was duly sworn in as an official member of our school board last Tuesday night, taking over as of July 1. He replaces Mrs. Taylor, who was clerk of the board, and Mrs. Robertson, senior member of the board was elected to fill the vacancy of clerk. Two other items of interest to the district were discussed at the meeting, one of them a contract that was signed with the Naval Project. These youngsters will be in the lower grades, and will come entirely from the project. This was done in an effort to ease the crowded conditions now existing in our school. They also are arranging for specifications and preparing to accept bids on resurfacing the school yard, and an alternate bid on widening the school yard on the Schwerin side.

New Drive-In

Our new Drive-in Theatre is officially in business at long last. The Theatre is built on the site of the old Baden dog track, in beyond the Cow Palace. I's built to accomodate some 800 cars, so there should be room for all of us.

Twenty-five of our youngsters graduated in all their glory from Bayshore Elementary school last week. The exercises went off in fine style, and there wasn't a noticeable hitch anywhere. The Invocation was by Reverand Widenham, and there was an address by Mr. John Mongan of Jefferson high school. The grown up ladies and gentlemen of the graduating class rounded out the evening with a jaunt to the beach, properly chaperoned of course, and came home at the daring hour of midnight. "Ah me, old age creeps up on one so fast these days."

Should report that the Improvement Club dance last Saturday nite was funful and successful.

Should report that the Improvement Club dance last Saturday nite was funful and successful. They drew a good crowd of all ages, nearly all of them people from the valley. More of you should drop into our dances, and get acquainted with your neighbors.

British Evening At SF High School Friday

A varied program of films, Scottish dances and British songs sponsored by the Commerce Adult high school with the cooperation of the British Consulate-General will be given in the Commerce Adult high school auditorium, Van Ness and Hayes at 7:30 p.m. on June 16.

Mr. G. Johnson Smith, from the British Information Services, will talk on "Britain and the Marshall Plan" and afterwards will answer questions.

Admission is free and the public is cordially invited.

OLPH Mothers' Club Installs New Officers; Mrs. Calegari President

By MRS. A. A. LIBERTI

The Mothers' Club of Our Lady of Perpetual Help school is organized for the sole purpose of working with the teachers for the good of the children; to assist financially in what ever is necessary for the benefit of the school, and to promote friendship among its members.

Mrs. Theresa Sullivan, outgoing president, in giving her year's report at the regular meeting held June 7, showed that these worthy objects had been achieved.

Among the club's many worthwhile accomplishments were the purchase of school books, scholarships, the employment of a year round athletic coach and a substantial contribution to the pastor to be used for educational purposes as he sees fit.

Many delightful social events also filled the calendar. To cite a few . . . whists, Christmas bazaar, mothers' communion breakfast, spring luncheon and fashion show, as well as several parties for the school children.

After the report, Mrs. Sullivan turned the meeting over to Mrs. Valletta Ennis who installed new officers during a beautiful candle light ceremony. She was assisted by Mrs. Isabella Liberti as Marshall.

Following are the new officers installed: Mary Calegari, president; Jean Denning, vice-president; Lee Miller, recreation secretary; Ruth Cresta, corresponding secretary; Elinor McDougal, financial secretary; Mary Thiebaut, treasurer; Virginia Stanely, auditor.

On the board of directors are: Janet Fellman, Bonnie Whalen, Mary Casebalt, Bessie Linhares and Maureen Malloy.

Mrs. Calegari and Mrs. Sullivan, outgoing president, were then presented with orchids through the courtesy of Mrs. Alma Garibaldi.

In assuming office, Mrs. Calegari appointed the following: Theresa Sullivan, historian; Dorothy Bush, parliamentarian; Jean Denning, sewing; Susan Schroeder and Valetta Ennis, hospitality; Isabella Liberti, publicity; Jeanette Gray, health; Cleo Rodriguez, Christmas cards and Janet Fellman, whists.

Rev. William Stewart addressed the members, and Sister Superior Clarice also delivered a short speech.

Serving refreshments were Mrs. Mary Thiebaut and Mrs. Elinor McDougal, assisted by the sixth and seventh grade mothers. Mrs. Garibaldi arranged a lavish floral arrangement of gardenias, and sweet peas with massive bowls of roses for accent.

Mrs. Sullivan, who is moving into a new home, was given a handsome wall crucifix by the club as a token of apreciation for her fine work during the past year as the club's president.

Jones To Support Whitmore; Record Number Vote

A record number of voters turned out recently for the San Mateo county primary, County Clerk William H. Augustus revealed today.

Close to 68 per cent of the registered voters (72,798 out of a possible 107,678) cast their ballots last Tuesday.

Meanwhile, Proctor Jones, defeated in his "race" for sheriff, today said he would throw his support to Earl B. Whitmore, if Whitmore "runs a two-fisted, honest, straight forward campaign."

Tuesday, Whitmore was given a plurality of 1,385 votes over McGrath, or a total of 22,343 to 20,985. In the primary Whitmore ran on the basis of his record as a Redwood City policeman, and on the contention that it was time for a change.

Hillbarn Summer Theatre Opens Season June 30

An ambitious program of varied interest has been announced by Hillbarn Summer Theatre for its tenth season, according to calendars recently sent out to its extensive mailing list.

The theatre, which operates during the summer months at 1800 El Camino Real in San Mateo, as a unit in the San Mateo Junior College Adult Education program, lists "The Emperor Jones," "Dorothy," and "The Trojan Women" for runs of 9 nights each.

"The Emperor Jones," scheduled for June 30, July 1, 2, 7, 8, 9, 14, 15, and 16, is the Eugene O'Neill classic, from which the Paul Robeson movie and the opera with Lawrence Tibbett were derived.

BROADMOOR ASSN MEET

Summer Recreation Program Outlined For Children; Water Rate Hike Pending

Broadmoor is to have its own children's recreation program this year.

At the regular meeting of the Broadmoor Property Owners Association Thursday evening, it was decided to hire a full time recreation director for the summer. The director will be Armand Terzin, a physical education instructor in the San Francisco schools.

Getting underway Monday, June 19, the recreation program will be held at the Broadmoor Community center and the Garden Village school.

And while the Association has been unable to secure property for a "tot's playground," plans are still going ahead to locate a suitable site. The original playground had to be given up as residents on McArthur would not consent to land near their homes being used for such a purpose.

Meanwhile, the Association had a brief discussion of the Westlake-Broadmoor connecting street. It was decided to "shelve" the matter until some future date, Tom Jenkins, Association president said. He explained the Association wishes to wait the outcome of the present planning commission controversy over the street.

Earlier, at a special meeting, the Association went on record in favor of some connecting street between the two districts. However, it did not specificy the "red" route.)

Howard Richardson also gave a report on the contemplated boost in water rates for Broadmoor. He said he had spoken to a representative of the San Francisco water system, and that representative assured him that the rate hike was still under consideration, and no action would be taken until later in the year.

The Association has requested that the police commission place safety signs, warning motorists of children at play throughout the Broadmoor district.

Concluding the meeting, Jenkins named three men to head various committees. They are Benjamin Blount, beautification chairman; Grant Holman, tract restiction; Fred Hilger, publicity.

New Meat Dept. In Belli Market

A new meat department will open today in the Belli Market, one of the leading food stores in this vicinity and located at 7283 Mission street.

In charge of the viands will be Guido Schulba, who has served the residents here in other markets for a decade, and has lived in this area for 29 years.

While Guido will stock a full butcher shop, he will specialize in corned meats. He revealed that he has developed a process or cure that is a decided improvement.

Guido explained, "Ordinarily, when a housewife wants to roast or bake corned pork shoulders or legs, she must boil the meat first. My process eliminates the necessity of boiling.

"Of course, it is not advisable for me to reveal how I am able to avoid that procedure, however, cooking tests have established that my cure more than warrants the claims."

Next, Guido intends to have a novel display regarding the special cuts to be offered to the shoppers. A list of the week-end reductions will be posted on Monday, Tuesday and Wednesday. Thus the purchasers may plan in advance what they will buy on Thursday, Friday and Saturday.

Again, the proprietor is working on a ticket deal that will arouse the interest of food buyers. But details will have to be worked out before he is ready to announce it, he said.

Guido said that the policy of his shop will be to offer quality brands at low prices, and he hastily added that the program is feasible because of low expenditures.

Assisting him will be Gene Steggell, also well known in this section. Gene has been slicing meat here in several butcher departments for the last three years.

In closing, Guido turned to Joe Belli, the boss of the market, who revealed that he has taken on several new food lines to satisfy the exacting tastes of the discriminating customers.

Joe added that he finds many of his patrons are demanding delivery of telephone orders. "But that is alright with us," he said, "because we are making a feature of that very thing."

Young Thrones Enjoy Birthdays

Duel birthdays were celebrated last week in Westlake at the home of Mr. and Mrs. J. R. Throne, 138 Westdale.

Celebrating his third year in this world was the Throne's young son, William. Also on hand for his birthday was William's two year old cousin, James, of San Francisco.

Four other guests were invited to the tiny tots birthday party. They report they played games, ate ice cream and cake, and generally were convinced that life in this world, at least at Westlake, isn't so bad after all.

Mr. and Mrs. Malaspina Have Week-end Guests

Mr. and Mrs. Peter Malaspina, 146 Westdale, were visited by Mr. Malaspina's mother and brother last weekend.

Also on hand was Wayne Malaspina, young son of Mr. and Mrs. B. Malaspina of Stockton.

Mr. Malaspina's mother looked over her son's new home and agreed it was "very, very nice." She said she especially enjoyed the beautiful yard.

Thief Gets $125 In Furs . . But How?

Mystery today surrounds the burglary theft of $125 in furs from the apartment of Mrs. Laverne Hecksmeller, 262 Los Olivos.

Mrs. Hecksmeller told police she put the Kolinsky scarf furs in a hall closet Sunday. Tuesday afternoon she discovered the furs were missing.

What baffles police the fact that there was no visible means by which a burglar could enter the apartment. Also, the thief took only the neck piece furs, although several hundreds of dollars worth of other furs were hanging in the closet.

10 Commandment Series Continues

This Sunday at Lutheran church of Broadmoor the second in the series of sermons on the Ten Commandments will be delivered at the 11 o'clock service.

Sunday's theme will be: "What's So Bad About Cursing?" The commandment under discussion in this sermon reads, "Thus shalt not take the Name of the Lord thy God in Vain." The sermon will deal with the misuse and the right use of the Name of God. Sunday School begins at 9:45 a.m. sharp. The place is the community recreation center of Broadmoor Village.

Due to inclement weather last Sunday, the Lutheran Church and Sunday School picnic originally planned for June 11 will be postponed two weeks—till June 25.

It will be held at the same place, San Bruno Park, right after Church on that Sunday.

Auxiliary Honors Mrs. Gigi Blount

Honored guest Tuesday at a farewell party put on by ladies of Lake Merced Post No. 9921, VFW Auxiliary, was Mrs. Gigi Blount, 1208 Nimitz drive.

Mrs. Blount, a Belgium war bride, is to return to her native land this Saturday. She and her daughter, Nancy, will be in Belgium for three months.

As Mrs. Blount is a member in good standing of the Auxiliary, the ladies decided to give her the farewell party. Officials report it was "a great success."

Meanwhile, last Friday two members tied for top honors in the Canasta tournament. Tied were Emily Heger and Ann Jenkins. However, Mrs. Heger did succeed in walking off with top honors for the day.

Father Has His Day At Church

Special services for Fathers Day will be held at the Colma Baptist Mission this Sunday.

During the 11 a.m. services at the Colma Community center, Dung street, there will be special music by Harold Browning. Rev. Calvin Rains will discuss the modern day application of Fathers Day, and its importance in our American way of life.

The evening service will feature colored slides on various facets of nature.

VOTERS APPROVE $25,000 FIRE HOUSE FOR COLMA UNINCORPORATED

Colma is to have a new $25,000 concrete block fire house within the next three months.

Monday, voters of the unincorporated area, including Broadmoor, approved construction of the building which is to go up on Reiner street.

Of the total votes cast, there was only one voter opposed to the station; 125 voted "Yes," while one voted "No."

Joseph Fillipp, 98 Templeton, has been awarded the contract for the job. He says it should be completed by the end of September.

Speaking for the fire commissioners, Til Conserva today thanked everyone for their vote of confidence.

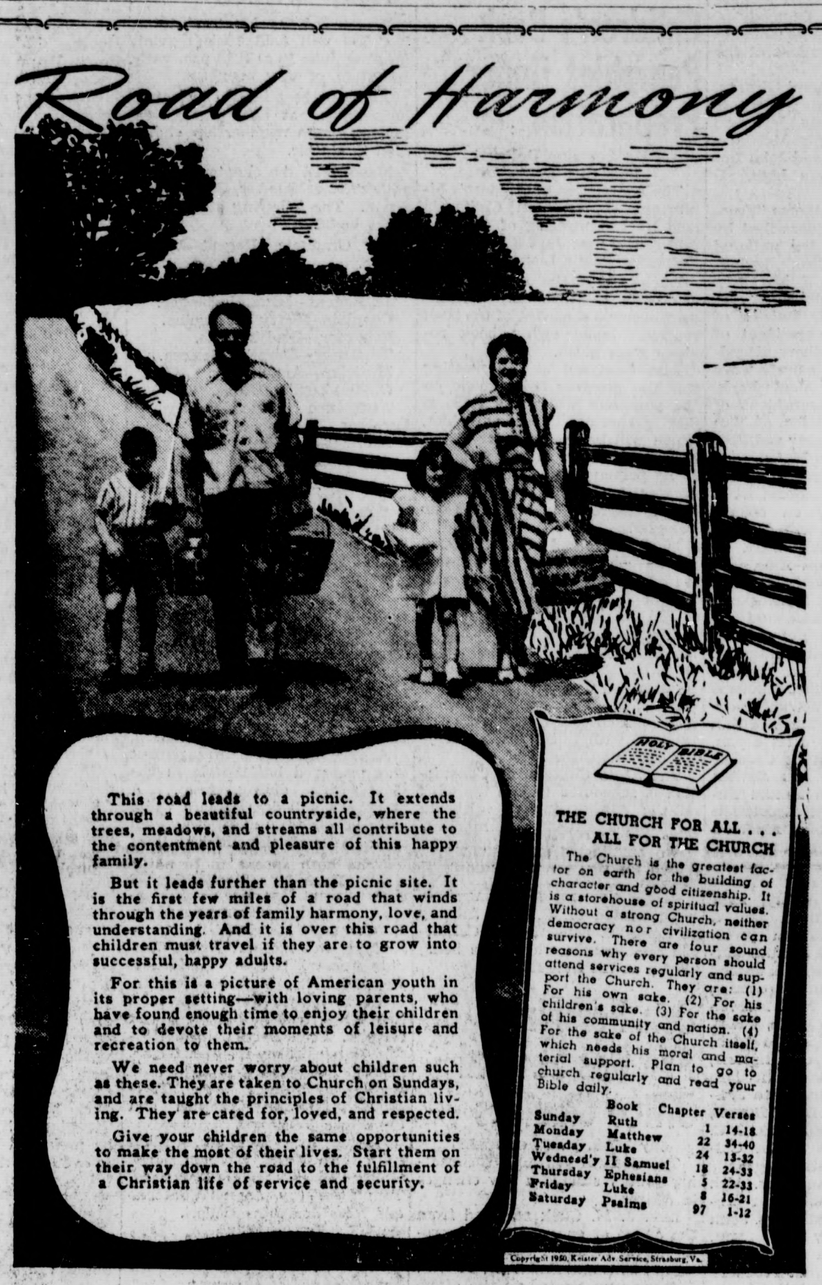
The architect's plans call for a one story concrete and frame constructed building. It will house two fire engines, a day room, kitchenette, offices and a bunk room for four men.

The older building on Market street is to be abandoned when the new structure is completed.

IN APPRECIATION

I wish to extend my appreciation and sincere thanks to all of the voters and loyal supporters who have placed their confidence in me by their vote, which has made my nomination a reality. I want to assure you that if elected sheriff in the November election I will maintain that confidence and trust which has been placed in me by you voters.

EARL B. WHITMORE
Candidate for Sheriff



Road of Harmony
This road leads to a picnic. It extends through a beautiful countryside, where the trees, meadows, and streams all contribute to the contentment and pleasure of this happy family.
But it leads further than the picnic site. It is the first few miles of a road that winds through the years of family harmony, love, and understanding. And it is over this road that children must travel if they are to grow into successful, happy adults.
For this is a picture of American youth in its proper setting—with loving parents, who have found enough time to enjoy their children and to devote their moments of leisure and recreation to them.
We need never worry about children such as these. They are taken to Church on Sundays, and are taught the principles of Christian living. They are cared for, loved, and respected.
Give your children the same opportunities to make the most of their lives. Start them on their way down the road to the fulfillment of a Christian life of service and security.
HOLY BIBLE
THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

THEME CHOSEN FOR 1950-51 CCPT PROGRAM AT EXECUTIVE MEETING

"Growing Toward Maturity" was selected as the 1950-1951 program theme at the executive board meeting of Sevententh District CCPT in Burlingame high school little theatre on Monday morning June 12.

An outline of program dates and yearbook material presented by Mrs. G. J. Sirex of San Carlos, district president, was accepted for printing.

Important reports from district committees were made on the annual scholarship awards, and by district delegates to the National Congress of Parents and Teachers convention in Long Beach May 22 through 24. Mrs. C. N. Underwood and Mrs. J. E. Dermody of San Mateo announced scholarship winners from four sections of the county.

Awards went to Naomi Glasson, San Mateo elementary school teacher; Lorraine Cady, Jefferson Union high school, Joyce McNulty, Half Moon Bay high, and John Imbernon, Sequoia Union high, all graduates this year.

Conferences on the theme "Freedom To Grow" were described by district delegates to the national convention in Long Beach, including Mrs. Sirex, Mrs. J. M. Foley and Mrs. M. G. Strohmeier of San Mateo, and Mrs. B. D. Ralston of Woodside, third vice-president of the CCPT. Among others attending from San Mateo county were Mrs. J. J. Garland of Menlo Park, eighth regional vice-president of NCPT, Mrs. J. B. Mills of San Bruno, Mrs. Floyd Sherry and Mrs. R. A. Andresen of San Mateo.

Executive board recommendations authorized the request for a case finding survey on county sight-saving students with Mrs. E. M. Davidove of Menlo Park as chairman, the purchase of an adding machine for financial secretary Mrs. E. C. Styskel of Burlingame, and revisions of policies and by-laws read into the minutes by Mrs. J. M. Foley, parliamentarian.

It was asked that for prompt attention student welfare problems be referred to the district chairman Mrs. Harold B. Haas of San Mateo. any week day after 6 p.m. glasses for a student at Crocker school was assured. As district representative to the annual Tuberculosis and Health association diner, Mrs. J. M. Foley reported that x-ray films for children will be curtailed, except for newcomers into the district.

Mrs. George Lee Camp, high school service chairman, lead a discussion by association presidents who considered mutual education and PTA needs, and agreed to meet quarterly in the coming term. Present were Mrs. Marven Stroh, Burlingame high, Mrs. Floyd Sherry, San Mateo high, Mrs. Milton Jensen of Brisbane, Jefferson high, Mrs. Theodore Coffin, South San Francisco Junion-Senior high, Mrs. Loren Brown, Sequoia Union high, and Mrs. E. C. Stewart, San Mateo Junior College Patron's Association.

Appointed to replace Mrs. Alec Stern of San Mateo as room representative chairman was Mrs. John A. Sorensen of Daly City. Mrs. E. H. Perry of San Mateo read from "California Parent-Teacher" the timely character thought, "Listen, New President."

A letter of thanks to Pansy Jewett Abbott, county superintendent of elementary schols, was voted for the course on "Human Beginnings," family relations movie, shown at McKinley school in Burlingame recently.

Children's Day At Presbyterian Church Sunday

Children's day will be marked at the Grace Presbyterian church this Sunday. Services begin at 11 a.m. with Sunday school at 9:45 a.m.

The program will be a presentation of special parts of the lessons thru dramatization and quizzes from the new curriculum.

Assisting Mrs. William Harberts will be the following teachers of the primary department: Ruth Hartman, A. Anker, Dorothy Traxler, Carol Hodge, Ora Miller, Ronald Dickson and Arlene Pool.

Miss Marian Walker will direct the children's chorus and is to sing "The Lord's Prayer."

Mrs. A. Benofsky, superintendent of the kindergarten, will present a large class in "caps and gowns" for graduation. She will be assisted by Mrs. William Coulthard, Mrs. James Snell, Beverly Brook and Mary Ann Costello.

Robert Champlain is to play a special offertory solo.

The Rev. William Harberts will administer the sacrament of the baptism.

Parents and friends are welcome.

GLENN COUNTY TROUT

Trout fishing has been good lately on most streams in Glenn county, reports the National Automobile club. Many limits have been taken and the fish have been running from five to eight inches in length.

Camp Mattrup Job Completed

Camp Mattrup, the Girl Scout camp in the Colma hills, is now ready for summer business.

Mrs. Don Hiett, day camp chairman, today said the clean up had been completed, as well as several new installations made.

Credit for the work must go to: Johnson Roofing Co., Henry Doelger, the South San Francisco Scouts and the various scout leaders.

Children's Book Pamphlet Under Preparation

By Lorraine DeFanti
Daly City Librarian

The Association of Children's Librarians of Northern California held its last meeting of the current school year June 8 at the San Francisco Public Library.

During both the morning and afternoon sessions the predominent business consisted of the book reports. Some eighty book reviews were given.

Also discussed at the meeting was the progress being made on the pamphlet which the ACL is now preparing. This pamphlet, which will be available for distribution sometime in the fall, has as its primary objective to create greater interest in, and to encourage more active support of our libraries.

Members talked about the 52nd annual conference of the California Library Association which will be held in Sacramento June 21-24. In this momentous year of California's statehood, the California Library Association has chosen as the theme of its annual conference "A Century of Books in California." Writers, publishers and booksellers have been invited to meet with librarians in carrying out this theme.

The State Centennials Commission is scheduled to join the CLA on the closing day to celebrate California's Literary Centennial. Many of the children's librarians plan to participate in this convention.

After the meeting, members were invited to visit the Library of Congress collection of California photographs which was being shown on the first floor.

Gen. Pershing PTA Has Several Office Changes

By MRS. D. C. GENSEL

The General Pershing PTA meeting June 7 started a few changes in offices.

Mrs. J. M. Cook resigned from the office of corresponding secretary, and accepted the chairmanship of Pins and Emblems; Mrs. G. Parsons was elected to the office of corresponding secretary.

Mrs. W. Young is the new membership chairman, while Mrs. L. Ingersol heads the UNESCO group, a new unit in the PTA.

Mrs. R. F. Traxler volunteered to represent the PTA at the June 7 recreation meeting.

The "Mad Hatter" was a success. Everything imaginable graced the heads of the daring ladies. Competition came as a surprise from the teachers who entered quite a number of girls with crazy hats. The teachers acted as judges.

Mrs. G. Freeland won, with a hat as edible as beautiful. It was made of a ring loaf of bread, split in half, and scooped out. The brim was decorated with fresh cherries, and parsley graced the top.

John Ivan, San Mateo YMCA, showed colored slides on summer camps for birls and boys. Three camps are operated by them in Pescadero, LaHonda and a high mountain range respectively.

Age groups are from 9 to 17 years, with sports, handicrafts, archery, swimming and hikes highlighting camp activities. Camp sessions are 10 days for boys, and two weeks for girls. Camp opens June 20.

Further information may be obtained by contacting the San Mateo YMCA.

Winifred Celine Weds Lt. Flynn

Mr. and Mrs. Edward F. Graht, 119 W. Moltke, today announced their daughter, Winifred Celine, was married June 9 at Ft. Benning, Georgia.

The groom is Lt. Jerry P. Flynn, USA, son of Mr. and Mrs. Gevige E. Flynn Jr. of Stafford, Kansas. Lt. Flynn is stationed at Ft. Benning, and the couple have made their home there until such time as he is transferred.

SOCIETY

Jeff PTA Holds Last Meeting

Holding their last meeting of the 1949-50 school year Thursday, members of Jefferson high school PTA discussed plans for the summer.

The meeting was held at the home of Mrs. Catherine Foreman, 35 Woodrow.

Six of the ladies were appointed to head the senior ball committee. They include Mesdames: Eva Hobbs, Catherine Duffy, Ann Eason, Byron Jensen, Laverne Atterberry and Rheo Daniels.

Closing the meeting, the women agreed that the first conclave of the fall is to be held at a luncheon in a San Francisco hotel.

Bible School Opens Monday

Vacation bible school begins Monday, June 19, at the Bethel Lutheran church, Alemany and Huron.

The school, to be conducted from 9 a.m. to noon, Monday through Friday, is open to all children between the ages of 6 and 12 years.

Purpose of the school is to instruct the youngsters in the meaning of the Bible.

The term is scheduled for completion June 30.

CSFA Offers Summer Courses

Four new courses which will explore the theory and practice of design in its application to commercial and fine arts have been added to the Summer curriculum of the California School of Fine Arts.

Beginning July 3, Robert McChesney will teach the techniques of Silk Screen printing, one of the most versatile of all graphic reproduction methods.

Don Smith, another newcomer to the CSFA, will offer a course in Textile Design which will train students in the complex techniques of creating and executing colored designs suitable for commercially produced fabrics.

Two courses given by Squire Knowles roundout the design program. "Color" will concentrate on color theory and its extensions into practical aplications. Training includes preparation of varied color patterns which will equip the student to understand the relationships of color in the fine arts, industrial design and personal living. Design in Space, also taught by Squire Knowles, will be concerned with the three-dimensional aspects of design techniques.

Enrollment is now open at the school, 800 Chestnut street (phone: ORdway 3-2640.)

BRAKE FAILURE

If your car's foot brakes fail completely, the California State Automobile Association advises shifting to a lower gear to obtain benefit of compression, and using the parking or emergency brake to assist in stopping the car.

Fleet Reserve Has New Officers

Virginia Bell today is the new president of the Ladies Auxiliary Fleet Reserve Association, Unit No. 48.

She, and other officers, were installed June 5 in a joint installation of the Auxiliary and the Fleet Reserve Association. The installation was held in the War Memorial building, San Francisco.

Other officers installed in the Auxiliary are: Gladys Hold, vice-president; Carolyn Miller, Junior vice-president; Ruth Bishop, secretary; Dorothy Shea, treasurer; Catherine O'Strander, chaplain; Marge Conart, sgt.-at-arms; Jean Fox, and Anita Pearce, flag bearers.

Ruth North, Mary Derdzinkis, Marge Cowart and Len Hanson were installed as board of directors.

Installing officer was Mrs. Marie Westbrook, assisted by Agnes Smith, Ruth Harris and Grace Parker.

Branch officers installed were: J. Everett Bishop, president; Harold Carner, senior vice-president; Carl B. Neilson, junior vice-president; John M. Reynolds, secretary and treasurer; Lee Goldborough, chaplain; Harry M. O'Strander, officer-of-the-deck.

The board of directors include: Harold W. Elke, Leo LaBelle, William Shea, Leon Richman, Elmo Bell and Walter Cowart.

Ship Mate Edward Keeley installed the men. He is from the Vallejo branch No. 8, FRA.

Following the ceremonies, a banquet was held which was attended by 350 guests.

YOUR DALY CITY GARDEN CLUB NEWS

By ELSIE M. GARRISON

Even those of us who have enjoyed good results from our gardening efforts, nevertheless suffer pangs of envy, when the spring season is crowned with the debut of that aristocrat, the Rhododendron.

Although for many years, we have had bigger and bigger displays in Golden Gate Park, it has only been in the last ten years that the home gardeners have taken courage in hand and planted them around the home. For several months past, I have noticed many homes in the greater Daly City area, who have been proudly showing off their mantle of rhododendron, dwarfing everything else in its resplendent glory. This species thrives well in our climate, but there are several obstacles between you and the realization of this ambition.

Courage, my friend, is not the least of these. As you no doubt already suspect, this gardening game is not one for cowards, or big-talk-little-doers. It is not long before evidence of your work (if you have done it) rears its head for all to see, and Mother Nature's infallibility is not to be questioned.

The prime consideration, if one would aspire to "top bracket" gardening, is, of course, the faithful adherence to the "rules," which is no different than in any endeavor if success would be assured. You would not think of building a home without a foundation—nor would you think of feeding your children all one variety of food.

Applying the principles toward planting a rhododendron, one must decide when and where; diet and water; fertilizing and pruning; and pest control. The Pacific Coast Gardening Guide, by Norvell Gillespie, which is available at the Public Library, has one complete chapter on Rhododendrons which covers all these, with a few tips thrown in. It is a straight-forward account and is read in less than ten minutes. Next time you go by, ask for it and read it there if need be. You can jot down a few notes to remember.

It is to be remembered that the Rhododendron is a plant that does best in an "acid" soil. Generally speaking, California, and more specifically, this area, is alkaline, probably owing to too little humus. Pine needles, peat moss and oak leaves can be spaded in to give an acid reaction to our soil—drainage should be watched and improved, and chemical feedings given now and then upon expert advice of your nurseryman. Actually the culture of Rhododendrons is a simple procedure—just take the time to become informed, which is sensible insurance to a lifetime investment.

It has been most gratifying to hear from so many who follow the activities of the Daly City Garden Club. It does prove that more and more people are interested in the individual contribution towards a more beautiful city. Anyone who can contribute gardening news is invited to do so. They expect to have a regular meeting place in the near future, and it will be possible then to expand our activities so that the general public can attend.

Glow Club Picnic Coming June 25

The Glow club was recently entertained at a luncheon and card party by Mrs. Kennety D. Reynolds at her San Francisco home.

Mrs. Reynolds was assisted by Mrs. John Redlinger, 143 Molke street.

The next event for the club will be a picnic Sunday, June 25, on the estate of Mr. and Mrs. George Lake in Hayward. Mrs. Lake is the founder of the Glow Club.

Lee Martino Given Bridal Shower By Friends; Wed In Carmel Saturday

Lee Martino, former Daly City resident, who became the bride of James Marchetti on Saturday, June 10, in Carmel, was the guest of honor recently at a bridal shower given at the home of Mrs. Gregory Centanaro, 74 Orchard avenue, by the Misses Bernice Ferrari and Florence Centanaro.

A very nice table arrangement was prepared buffet-style in the Centanaro's dining room. A storybook doll dressed in a white satin bridal gown and flowing veil was the crowning highlight of the table setting.

Among those attending the shower were Mrs. Lawrence Martino, the bride-elect's mother; Mrs. Bartholomew Marchetti, the future bridegroom's mother; Mmes. Candida Ferrari, Gregory Centanaro, Howard Foley, Nicholas Marcelli, John Facciano, Frank Massara, Ray Charette, Ubald Berni, Frank Ravella, Fred Bersi, Alfred Allison, Ralph Miller, Norman Grant, Robert Tobias, Galt McClurg and the Misses Eleanor Daneri, Tillie Slota, Josephine Cinegran and Genevieve Venchieri.

Unable to attend but sending gifts were Mmes. Norman Barsi, William Holmes, Willis Blanchard, Tom Stanaway, Joseph Conterno and Miss Josephine Callori.

Job's Daughters Install Officers

Bethel No. 26 International Order of Job's Daughters held their forty-ninth Installation of Officers, June 9, 8 p.m. at the Mission Masonic Temple, retiring Honored Queen Lucille Forsyth presiding.

The newly elected officers were: Joan Skiner, honored queen; Marian Smith, senior princess; Elise Anderson, junior princess; Inez Kenney, guide; Jean Skinner, marshal.

The appointed officers installed were Ellen Arras, chaplain; Marita Mayes, librarian; Joan Clement, musician; Joyce Van Haren, recorder; Diane Hebert, treasurer; Odette Luce, inner guard; Paula Mayse, outer guard; Barbara Cooper, senior custodian; Yvonne Cooper, junior custodian; Charlene Beschorman, first messenger; Paula Bloomberg, second messenger; Carolyn Church, third messenger; Corine Stratinsky, fourth messenger; and Dorothy Eggers, fifth messenger.

Sound Film Shown At Church Sunday

This Sunday, June 18, the Lutheran Church of Our Savior, Garfield and Junipero Serra blvd., is showing the sound film "The Difference" at the 9:45 a.m. Sunday School hour and again at 7:30 p.m.

This is a plot-story showing the "difference" between an education with Christ and an education without Christ. "You Need Your Schools" is the Rev. Robert C. Konzelman's sermon text for the 11 a.m. morning service.

The Daily Vacation Bible school starts Monday, June 19, (hours 9 to 11:30 a.m.) and will continue for two weeks. All Daly City children are invited to enroll in this Bible School, personally supervised by the pastor. They will be taught from an excellently prepared course of instruction and handwork based on the theme "My Christian Faith." A program will be presented by the children on June 30, at 7:30 p.m.

Calico Clickers Help Pabsts Mark 25th Anniversary

Mr. and Mrs. Raymond Pabst, 132 Oliver street, celebrated their twentieth wedding anniversary June 8 . . . with the assistance of the Calico Clickers.

The Clickers, a Daly City folk dancing club, gave the Pabsts a surprise anniversary party at their regular weekly meeting. Mrs. Pabst is in no small way responsible for the club, as she had been teaching its members folk dancing for the past several months.

Phil Roseustock started off the celebration by singing, "Anniversary Waltz." This was followed by the presentation of an orchid corsage to Mrs. Pabst by members of the club. Other members gave Mrs. Pabst some beautiful roses and a lamp.

Maggie Teyte To Teach Voice

Maggie Teyte, famous musical personality, concert and opera singer, will conduct the annual seminar in advanced vocal music for singers, teachers and accompanists at the summer session of Music and Arts Institute of San Francisco, 2622 Jackson street, June 26 to August 19, 1950.

Miss Teyte's class will include daily instruction in vocal technique, coaching in interpretation and recital repertoire and opera including productions from Miss Teyte's own celebrated opera concert versions as produced and acclaimed in Europe and New York.

A fund has been opened by the college for the award of one or more full or partial scholarships for singers and accompanists. Applications should be sent immediately to the Institute and should include a list of repertoire, general education, musical training and experience. Applicants will be notified of auditions for scholarships.

Reader Takes Jeff School Board To Task

Editor:

The last issue of the Record was interesting and enlightening. One article mentioned Mr. Snell attending one of his perpetual meetings, the Westlake Association meeting, that is.

The article quoted him as saying we'd have to pass a three or four million dollar bond election, a mere bagatelle. We're to have this school bond election in September, and as of now the month of June he's still vague on his figures. What's a million dollars more or less?

Mrs. Cheatham's letter was a revelation. Apparently we have discord in our school board.

They can't even agree on teachers' salaries, let alone on more important issues. With a school board disunited and unable to agree among themselves, any talk about passing a school bond election is plain wishful thinking on Mr. Snell's part.

One also wonders why the last elected member of the school board felt it necessary to spend a small fortune getting himself elected to that same non-paying office. Curious, isn't it?

126 JEFF HIGH STUDENTS GRADUATE TONIGHT

Dressed in the traditional cap and gown, 126 students, (the greatest number in the history of the school) will graduate from Jefferson high school tonight, June 15.

Commencement exercises will begin at 8 p.m. in the auditorium of the high school.

Opening with the "Crusader's Overture," (fitting enough for this year) a full program is planned for the seniors and those attending the ceremonies.

Louise Chessman has been chosen salutatorian, while Jola Gorsuch will deliver the valedictorian's speech. Both students led their class in scholarship, and have been made life members of the California Scholarship Federation.

Jess Martinez, student body president, will deliver the principal address of the evening.

Following the speeches, Stanford Hannah, district superintendent, will award honors to outstanding seniors.

The public, and especially the parents and friends of the graduating students, are invited to attend the commencement exercises. Following is the complete program:

140 LEAVE ELEMENTARY SCHOOLS

Moving from elementary school to high school, 140 students graduate from the Jefferson elementary school district this Friday.

Commencement ceremonies are to be held at the Jefferson high school auditorium at 8 p.m. Parents and friends of the graduates are invited to attend.

This is the largest class ever to graduate from the school district, James Snell, superintendent of schools, noted today.

The program will open with the "Star Spangled Banner" and a discussion of how education moulds the future lives of students.

Taking part in the discussion will be the following Crocker graduates: DeWayne Soares, Jane Kennedy, Roberta Taylor, Carol Bartelli, Geraldine Giomi and Richard Kalinin.

A choral selection, "Hail To Summer" will then be sung by the entire graduating class. Donna Arluck will continue the musical theme with a solo, "Deep in My Heart."

Highlight of the commencement program will be "An Educational Allegory," put on by students of both Jefferson and Crocker. Terry Rasmus will give the prologue.

Other students taking part in the presentation include: Irene Braitsch, education; Carol Bortoli, schools; Fred Bertetta, Jefferson school; Maxine Faulk, Crocker school; Bernard Milliron, another state; Rita DeLeon, across the sea; Jane Dixon, northern neighbor.

Bert McKena will then present a violin solo, followed by Ronald Harris and a talk on citizenship. George Miller and Kenneth McDonald will complete the allegory as "two boy scouts."

Ronald Harris is to give an accordion solo, "Remember You," followed by Alice Quickert, who will speak on "Native Californian."

At this point all the graduates will sing "I Love You California." Other choral selections will be presented throughout the ceremonies by the graduating class.

David Ward will speak on "Community Citizenship," while Yvonne Williford will address the student body on "Community." Other speakers will include: Carol Bortoli, schools; Sidney Warren, junior red cross; Sandra Capatanich, health; Sandra Rafter, opportunity; Beverly Broadbent, special subjects; Gary Deal, student government; Emily Guido, recreation; Patricia Geertsen, fulfillment; JoAnee Gordohn, schools.

Shirley Melicker and Jack Calvin will give trumpet solos.

James Snell will then present the diplomas to the graduates.

Concluding the program, Bert McKenna, Waunetta Viele, Alice Quickert, Donna Arluck and Donald Jennings will present a "Medley of Island Songs."

Seven OLPH Students Receive Graduation Honors

While the other elementary schools are closing this weekend for the summer months, Our Lady of Perpetual Help school held commencement excercises last Friday.

At the ceremonies, held at OLPH church Friday evening, seven of the 50 graduates were presented with special awards. They were:

Eugene Baciocco was given the religion medal, donated by the Catholic Daughters of America.

Thomas Malloy was presented with the general excellency medal, donated by Rev. James Bergin.

John Robinson won the traffic medal, donated by Mr. Anthony Parmisano.

Cecilia Amado was presented with the conduct medal, donated by the OLPH Mothers' Guild.

Madeline Bauer received the application medal, donated by the Holy Names of Perpetual Help parish.

Jean Chamberlain won the religion medal, donated by the Catholic Daughters of America.

Doris Varni received the four year scholarship to Our Lady of Victory high school, donated by Rev. Louis LeBihan.

Peggy Lecaro Graduates From UC

Graduating from the University of California this Friday will be Mrs. Margaret Lecaro, the former Peggy Hanley, daughter of Mr. and Mrs. E. Hanley, 43 Woodrow.

Mrs. Lecaro will receive a degree in mathematics at ceremonies at Edwards Field, Berkely, 2 p.m. She invites all her friends to be present.

A graduates of Woodrow Wilson elementary school, and Jefferson high school, Mrs. Lecaro is well known in Daly City.

After graduation, Mrs. Lecaro and her husband plan to spend the summer in Mexico.

Seven DC Students SMJC Graduates

Several students from the Daly City-Colma area this Sunday will receive diplomas from San Mateo Junior college.

A full story on the commencement can be found elsewhere in this paper.

Those receiving diplomas will include: Alma Becker, Ed Milano, Jean Clapper, Ernest Clayton, David McCahon, William Preciado and Monte Robertson.

George Morrison, from Brisbane, also will be among the graduates.

UC GRADUATE

Regina Warchot

Graduating from the University of California this Friday will be Regina Warchot, daughter of Mr. and Mrs. Louis Warchot, 3299 San Jose avenue.

Miss Warchot today invited all her friends to be present at the ceremonies which will take place at Edward's Field, Berkely at 2:30 p.m. Friday, June 16.

A graduate of Our Lady of Perpetual Help elementary school, and a San Francisco Catholic high school, Miss Warchot two years ago received an AA degree for San Francisco City college.

Going on to the University of California, she became quite active in campus affairs. During her past two years on the Berkely campus she was chosen queen of the 1948 NROTC Fourth Company dance and is a member of the Senior Council, Pelican Club and the Newman Club.

Majoring in English, and minoring in music, Miss Warchot will return to the University this fall to work for a MA in education. She plans teaching as her career.

Friday she will receive her BA in English.

Ceramic Classes Offered At YWCA

The YWCA, 620 Sutter street, announces a new Ceramics Class to be held on Monday afternoons at 2 p.m.

Starting June 19, this summer course will run for 8 weeks. The class, open to homemakers and high school girls, will specialize in articles for use in the home.

The competent instructor is Miss Mary Carter, who operates her own ceramics studio in San Francisco. She will teach the various ways of handling clay—the mold, slab, and coil methods as well as work on the potter's wheel.

The fine art of glazing and firing will be studied. The 620 Sutter street YWCA has its own kiln, which gives added interest to the course.

No previous experience is necessary. Interested persons are urged to register at the "Y," a Community Chest Agency.

$400,000 Cut For County Budget

Trimming of the county salary saving plan, plus a reduction in health department funds will slash $400,000 from the 1950-51 county budget.

The total of the preliminary budget now stands at $12,161,619, compared to $11,323,973 for the current fiscal year.

The San Mateo county board of supervisors opened hearings on the budget this week. The budget must be adopted before the end of June.

Possible cuts include:

1. A net reduction of $317,865 in the county health department. Dr. Harold D. Chope, director, said the budget could be trimmed because of the revision in the estimates of the cost of old age pensions.

2. Trimming $65,000 from the county salary fund. This is possible as some of the county jobs become vacant during the fiscal year, and usually some time elapses before the vacancy is filled; or because new positions are not all filled at the start of the year, requiring less salary for the fiscal year.

USE BEST OIL

Excessive sludge deposits may form in the engine crank case of your car if it is driven for long periods at high temperature, the California State Automobile Association warns. The best obtainable "premium" oil should be used under these driving conditions.

Sister Gets Crocker Estate

The bulk of the Crocker estates, (just west of Daly City) are now the property of Mrs. Robert B. Henderson, 2265 Ralston avenue, Hillsborough.

Charles Templeton Crocker, who died December 12, 1948, left the $4,995,875 estate to his sister. An inventory of the estate was filed last week in San Francisco superior court.

Mrs. Henderson, the former Jennie Crocker, will receive the entire estate with the exception of about $50,000 in specific bequests.

SF Centennial Events Announced

San Francisco's celebration of California's statehood centennial will last eight days—Sept. 2-9—and will feature three huge parades on historic Market street.

In addition there will be nightly performances of an historical cavalcade musical programs, a reception for distinguished guests and foreign dignitaries, an electrical display and lighting of special street decorations, centennial church services, commemoration of pioneer mothers in Golden Gate Park, a sports day, folk dancing and a fashion show in the Civic Auditorium, marine and fireworks displays.

The traditional Labor Day parade by the city's organized labor groups will feature Monday, Sept. 4. An illuminated night parade for fraternal and business organizations will take place on Sept. 7, and a big Admission Day parade on Sept. 9 will wind up the week-long celebration.

General theme for the celebration, announced by the San Francisco Citizens' Committee, of which Raymond W. Williamson is general chairman, will be "California—A Cavalcade of Yesterday, Today and Tomorrow." Much of the emphasis of the various events scheduled will be on what lies ahead for California as well as the glamour of the past century.

The City and County of San Francisco and the California State Centennials Commission will jointly sponsor and finance the event.

Broderick To Head SM Community Chest

John Broderick, Burlingame postmaster, will head the Employee Solicitation Division of the Community Chest of San Mateo county.

Broderick is a member of the San Mateo County Executive Committee of Boy Scouts of America heading the public relations committee and has served the Community Chest in various capacities.

A native peninsulan, born in Redwood City, Mr. Broderick has an intimate knowledge of the area. He is married and the father of three children.

Broderick stated, "A successful campaign of solicitation at the point of employment will prove most satisfactory and efficient both from the contributor and Community Chest headquarter's viewpoint."

Judge Draper Thanks Daly City Voters

"I am deeply grateful to the voters and to the many friends who worked so unselfishly for my election," Judge Murray Draper said today.

"I shall do everything in my power to justify the confidence expressed at the polls."

Tormey Thanks Many Local Supporters

Thanks to the thousands of voters who felt that the schools of our county need the encouragement of new and vigorous leadership.

Many thanks to the thousands of tireless volunteers whose courageous leadership have so aroused public opinion.

With your help, I shall continue our sincerely clean but aggressive drive to take politics out of our schools; to emphasize the fundamentals of education; and develop willing cooperation of all agencies and individuals concerned with the mental, moral and physical welfare of all our youth in all our schools. Between us we cannot fail to be successful in November.

JAMES TORMEY

ENJOY YOURSELF

Enjoy the scenery, as you drive, but not at the risk of an accident. Driving on busy highways and mountain roads requires your full attention, warns the California State Automobile Association. When you want to look at the scenery, pull well off the roadway and stop.

Carol Benedetti Given Grad Party

Celebrating her graduation from the Jefferson Elementary school was Miss Carol Ann Benedetti, 13-year-old daughter of Mr. and Mrs. Colombo Benedetti, Sulivan avenue, Colma.

Her parents honored her with a party which was held in the Community Center last Friday evening. In attendance were 89 guests, including the graduating class and friends and relatives.

The school colors of red and white were carried out throughout the hall. Favors of red and white peppermint candy tied with red and white ribbon represented diplomas. Refreshments of salads, sandwiches, cakes, ice cream were served from tables also trimmed in red and white.

The following members of the class celebrated with Carold Ann: Ronald Gerrtzi, Joan Gordon, Nancy Armanino, Carol Bartoli, Irene Braitch, Ronald Harris, Steven Bowen, Carold Denkers, Yvonne Willaford, Beverly Bruso, Carol Szatmari, Carol Sherer, Margaret Patterson, Laura Lee Swinger, Patio Nierce, Marlene Ferrarri, Darlene Ferrari A,llen Anthony, Patricia Geerstsen, John Dennis, Joseph Bocci, Patricia Fuller, Bette Roxberg, Wanda Maynard, Richard Schenone, Gary Deal, Yvonne Del Brocio, John Marshall, Jeanette Masoni, David Haaland.

Parents of the graduates in attendance were Mr. and Mrs. Gordon, Mr. and Mrs. Braitch and Mrs. John Dennis.

The group will be graduated this Friday evening at ceremonies to be held at the Jefferson Union high school.

Supervisors Want No End To This Tax

On record today as opposed to a proposed November general election measure seeking the exemption of all personal property from taxation are members of the San Mateo county board of supervisors.

The supervisors passed a resolution last Wednesday aimed at killing an initiative petition for a constitutional amendment intended to exempt three billion dollars worth of personal property from taxation.

Supervisor Alvin Hatch declared the amendment was "highly dangerous and a drastic limitation to taxing powers of the county."

The resolution urges electors not to sign the initiative petition nor vote for the measure if it qualifies.

Glenn S. Goode Graduates From UC

Graduating from the University of California this Friday is Glenn S. Goode, son of Mrs. Zaida L. Goode, 183 Los Olivos avenue.

Glenn invited all his friends to be present at the ceremonies which will take place at Edward's Field, Berkely at 2 p.m. Friday. He will receive a degree in electrical engineering.

A Staff Sgt. in the Army Signal Corps during the war, Glenn served 3½ years with the army overseas. He is also a graduate of Jefferson high school and San Mateo Junior college.

SMJC Exercises This Sunday

With 326 students from the entire county receiving diplomas, San Mateo Junior college will have its commencement exercises this Sunday afternoon at the Woodland open air theatre in Hillsborough at 2:30 o'clock.

President Charles S. Morris invites the public to attend.

J. Roger Deas, secretary to Governor Earl Warren, will give the commencement address on "Bring me men to match my mountains."

The program includes music by the college orchestra led by Elmer Young, director, of Pedro Valley; selections by the a cappella choir, directed by Fredric Roehr of Menlo Park, the awarding of scholarships, presentation of class gift, and the presentation of diplomas.

This Friday night the graduating class is having its soph formal dance at Aquatic Park in San Francisco. Sunday at noon the group will have the class brunch at the Chukker in San Mateo.

The college yearbook, The Campus, which honors the graduates, has just been distributed. The San Matean, with Ric Teague of Menlo Park as editor, has just issued its final edition.

VA Calls For Bids On 57,000 Cans Milk

Sealed bids for 57,000 No. 10 cans of evaporated milk will be accepted by Veterans Administration until 11 a.m., June 19, A. J. Harrison, Chief of VA's procurement division, announced.

The milk, with vitamin D content increased, is for use in VA hospitals and homes.

Bids should include delivery costs to VA supply depots in Hines, Illinois; Somerville, New Jersey and Wilmington, California.

Boynton Enrolled At UD

Albert Boynton, a graduate of Jefferson Union high school, is among the students at the University of Denver who are currently enrolled for a special course in work experience in airline-airport management.

Students selected for this program perform actual jobs within the aviation industry in addition to their regular classroom work. By this means, they are able to obtain valuable on-the-job experience as they gain their education.

Five Jeff Men To Play In All-Star Baseball Tustle At San Jose Stadium

By MILTON TROMBORG

This coming Sunday, June 18, the fifth Annual North-South All Star Prep baseball game will be played at San Jose Municipal Stadium, with two games billed for the night, the first game getting underway at 6:30 p.m.

Jefferson, the 1950 champs of the PAL will send five seniors to the game . . . center fielder Don Lunghi, third baseman Harold Mosman, Catcher Alex Findlay, Short stop John Matzek and second basemen Roy Childress.

The game will pit the top graduating senior players from 10 Southern high schools against a similar group from 10 Northern high schools.

Schools contributing players to the South team are San Jose, San Jose Tech, Bellarmine, Lincoln, Campbell, Los Gatos, Gilroy, Live Oak, Fremont, and Santa Clara. The Northern schools are Mountain View, Washington of Centerville, Palto Alto, Sequoia, San Mateo, Burlingame, South San Francisco, Jefferson, Serra, and Half Moon Bay.

John Schirle University of Santa Clara Freshman Coach, will direct the South team, while the North coach has not been announced as yet.

All proceeds from the game will go into a schoiarship fund to be split evenly between the top player of the South and the outstanding performer on the North nine. A panel of judges will select the top players in the contest.

Each team will consist of 25 players and every boy will be used sometime in the two games.

Out of the five boys picked from Jefferson, three of them made the All PAL nine of 1950. Don Lunghi, Alex Findlay, and Harold Mosman. A full report of the game will be given next week, as well as a report of how the boys from Jefferson made out.

Summer Softball League Practice Games Tuesday

Opening the Daly City Recreation softball league, two practice games will be held at the Jefferson high school field this Tuesday night.

Both games are to be played at 6:30 p.m. On one part of the field, the Daly City Fire department will take on the Colma Fire department. The other game is between the Eagles and the Scout Dads.

Anyone interested in playing in the softball league is asked to be present for the games. Also, the public is invited to see the first of a regular series of summer softball games.

Young Boy Thrown From Automobile

Missing one of the last two days of school this week was eight-year-old Adolph Heinzie who was thrown from his father's car Wednesday morning.

Joe Heinzle, 174 School, was driving his son to school when the car's front door flew open, spilling young Adolph into the street. The accident occurred at the intersection of School and Station.

The boy suffered only minor injuries, was treated at Junipero Serra hospital and released early Wednesday morning.

Ralph's Drop First Game

Defeated by the close score of 2 to 1, Ralph's Cleaners dropped their first game of the South San Francisco softball league to Marty-The-Geary Tuesday night.

Although Ralph's garnered nine hits to Marty's four, the nine always came with two men down. The one run was scored by Max Moore who singled to first, got to second, and was off second when the pitcher threw a wild one into center field. Max scampered home for the only run of the game.

The third game of the series is Monday night at the South San Francisco field beginning at 8:40 o'clock. At that time Ralph's will take on Welte's of South City.

County Property Tax Bill Drops

San Mateo county residents paid close to one-half million dollars less in property taxes for the 1949-50 fiscal year, the California Taxpayers' association reported today.

The property tax bill for the current fiscal year was $3,538,178, down from the $3,948,221 for 1948-49.

Expenditures of the county were budgeted at $10,351,024, for 1949-50, compared with $7,719,788 for 1948-49. During 1949-50, aid to the needy aged and blind was handled in the state budget—so the 1949-50 county budgets showed no provision for this large government cost. It was in the 1948-49 budget and will be in the 1950-51 budget.

Subventions and grants from other governments covered $4,452,-018 of the county's budget for 1949-50, compared with $1,999,901 for 1948-49.

Other (non-tax) revenues for 1949-50 were budgeted at $2,360,-828 compared with $1,771,666 for 1948-49.

For California's fifty-seven county governments, the property tax bill for 1949-50 totalled $186,-422,447, up $752,667 over the $185,-669,780 property tax requirement for 1948-49. Data for San Francisco, a city and county government, are not included in these figures.

Three Games Slated For Sarto Teams This Week End

Rained out in Sunday's games, Sarto's and the Sarto A.C. will take to the field this weekend.

In their first game of the Funston night league, Sarto's meet Regal Pale at 7:15 p.m. Friday at Funston field. Henry Morgan will be pitching for the team, which is made up for the most part of former Jefferson high school players.

Then, on Sunday at 2 p.m., Sarto's takes on Gordon Realty at the Big Rec field in San Francisco. On the mound for the Daly City team will be Bill Rainey.

Meanwhile, Sarto A.C. has a game scheduled at Marchbanks Park at noon Sunday. They will play Hilgar Bakery, an undefeated team to date.

Motorcycle Races At Bay Meadows Sunday, June 25

When the $500 National Championship Motorcycle race is held at Bay Meadows June 25 it will mark the inauguration of an annual event which William P. Kyne is planning to develop into the biggest and richest motorcycle race in the world.

The versatile sports impresario today outlined plans to eventually make the coming speed classic an inter-national race and to import champions from foreign countries.

"We can make this race just as important in motorcycle racing as the Indianapolis classic in auto racing or the Kentucky Derby in horse racing," said Kyne. "Our race will have the same spectator appeal as the Indianapolis race and that race drew 180,000 people this year."

Kyne predicts the June 25 program will attract 25,000 persons. He bases his claim on these factors:

That this is a national championship event; that the bay region likes and supports championship attractions; that motorcycle racing of this type is a spectacular and thrilling sport of speed and daring; that virtually all of the best riders in America will be competing.

"California has never seen anything like this and once the people have seen the championship races they are going to wonder why it's taken the west so long to come to the front in such a spectacular sport," Kyne said.

Silvestri Makes Berth In Kentucky Golf Finals

Lady Luck has finally seen fit to smile on Colma's star golfer, Bob Silvestri.

Sunday Silvestri fired a 71-70-141 to top eight qualifiers for the national public links golf championship at Louisville, Kentucky, July 3 to 9. A 146 was needed to qualify.

Silvestri several months ago barely lost out in the San Francisco golf championship, coming in a strong second. That was the third year in a row that the Colma barkeep had come within a stroke of winning a title.

Silvestri will be up against some rough competition in Kentucky. In fact a San Mateo Junior college man, Ken Towns, is the national defending champion.

Mrs. Ausano Host To Wilson PTA

The executive committee of the Woodrow Wilson PTA held its regular meeting at the home of Mrs. Joseph Ausano on June 13.

Members of the committee were served a pleasant dessert luncheon by Mrs. Ausano with Mrs. Philip Gray assisting.

The program committee, through its chairman, Mrs. Edward Goldkuhl, gave a report on plans for the coming year. Theme for the year will be: "Sharing Our Friendships."

Mrs. Gildo Reginelli advised that plans had been satisfactorily completed for the promotion party to be given all students at Woodrow Wilson on Wednesday, June 14. Refreshments will be provided for the children in each room and there will be entertainment by the pupils.

Mrs. Henry Adami attended the district presidents' board meeting held in the Burlingame high school, on Monday, June 12.

The next regular meeting of the executive committee will be held on September 5 at 1 p.m. Hostess for the occasion will be Mrs. James Snell with Mrs. Harold Riley serving as co-hostess.

Vets Get Info On Prewar Jobs

A veteran's legal rights in connection with resuming his prewar job do not end just because he is hired back, but continue to protect him in matters involving seniority and other aspects of his employment, according to Floyd D. Granger, Veterans Service Officer.

"A good many World War II exservicemen are not aware of the full extent of their reemployment rights under the Selective Service Act," Granger explained. "They believe, as do many employers, unions and others, that once the veteran has been restored to his job the books are closed. That is far from the truth."

In addition to his duties as Veterans Service Officer, Mr. Granger also functions as a volunteer local committeeman of the Bureau of Veterans Reemployment Rights, under the U. S. Department of Labor.

In this capacity he is designated to attempt to adjust any differences between veteran and employer which arise under the act. These frequently involve in-grade raises and promotions, wage rates, demotions and layoffs, and pension, vacation and insurance benefits.

SF Man Close To Death; Car Hits Light Pole

Narrowly escaping death, a San Francisco couple were two of four persons involved in serious automobile accidents in Daly City over the weekend.

Still on the critical list today is James K. Donahue, 23, San Francisco, who suffered internal injuries when the car he was driving crashed into a telephone pole at the intersection of Price and Mission streets early Monday morning.

Unable to give Daly City police an account of the accident, Donahue was taken to Junipero Serra hospital and later transferred to Mary's Help hospital.

Donahue's companion, Patricia Gilliece, 22, also of San Francisco, suffered multiple face lacerations and a compound fracture of the right leg. She is now in a San Francisco hospital.

The car in which they were riding was completely demolished, police said.

Meanwhile, Leslie S. Raab, 23, San Francisco, suffered a fractured rib when the car he was driving smashed into a concrete abutment and a tree at Crocker and Templeton streets early Saturday morning.

He missed a turn at Crocker, struck the curb, and smashed into the tree. Taken to Junipero Serra hospital, Raab was transferred to a San Francisco hospital.

Also in the car at the time of the accident was Robert Montana, 251 Peoria street, Daly City. He was not injured, police said.

Mrs. Matilda Flippini, 28, 71 Werner avenue, suffered slight bruises Saturday evening when a car she was riding in collided with another vehicle at the Sullivan avenue and "A" street intersection, Colma.

She was riding in a station wagon driven by her husband, Steve, 41, a machinist. John J. McCready, 21, San Francisco, was driving the other machine.

JEFF POOL OPEN DURING SUMMER

Jefferson high school's swimming pool will be the "old swimming hole" for the majority of residents of Daly City this summer.

During the coming warm months, the pool will be open six days a week, Monday through Saturday, for public use. Hours will be to 4:30 p.m. and 7:30 to 9:30 p.m.

Everyone is welcome to take advantage of the pool during the summer, Coach Glenn South said.

Ocean Fishermen Makes Big Haul

The 48,000 ocean going sport fishermen who tried their luck off the California coast in April caught a total of more than 147,-000 fish, according to reports compiled by the Division of Fish and Game.

From the operators of 248 party fishing boats, State researchers learned that kelp and sand bass provided the largest total catch during the 30-day period. Nearly half of the two-species haul was made in the San Pedro, Wilmington, Long Beach and Seal Beach areas.

Rockfish totals made second place on the April catch list with 41,590 landed. Party boats from the Monterey Bay area reported a catch of 12,070 rockfish.

Biologists of the Bureau of Marine Fisheries asked ocean anglers to be on the lookout for some of the 1,200 kelp and sand bass which have been tagged this year in southern California waters. By returning the entire tagged fish, fishermen are eligible for prizes offered by cooperating merchants and sportsmen's groups, and will be aiding the State's research program.

FISH AND GAME NOTES

by Jimmy Fox

The past week has been a good one for the fishermen as far as the abundance and variety of catches are concerned. Salmon, bass, catfish, and trout have been biting like mad.

The Johnson family, Harry, Scott, George, and Speed, spent a few days at Lyons Dam in the Sierras and report the trout fishing poor but the catfishing excellent. The water is high and there were plenty of fishermen. Total catch for the trip was 36 cats for Speed, 27 for George, 20 for Scott, and their Dad, who was showing them how to do it, got 7. "Nuff said."

Those fishing newsboys are still hard at it in Lake Merced and the total catch for Vernon Waligora is now four fish and Frank Cirimele has one but he hopes to catch up while Vernon is on vacation in other parts of the state. Plenty of fish are still being taken in the Lake and some of them are of a good size if the stories of small boys are to be believed. Frank Bricker is out there almost every day and he seems to catch a fair share of fish.

Ed Nenstiel and his friend spent Sunday at Sharp Park fishing the surf with satisfying results. They caught a total of 28 Red Tail and Walleye Perch, some of which would weigh two pounds or better. Both the in and outgoing tides showed results and there were no bass taken or seen all day.

Salmon Fishing

Salmon fishing hit a boom day last week and there were plenty of fishermen there to cash in on the luck. Better than 500 boats were crisscrossing the ocean from Pedro point north and all were taking fish. The size of most fish taken seems to be about 12 to 15 pounds while a whopper of 29 pounds is occasionally hooked. Al Koshaba, local angler who has been trying unsuccessfully to hook a big salmon for several years finally had a change of luck. He has been telling a story all week of a huge fish that almost tore the pole from his hands, nearly broke his line, and practically straightened the hook.

After an hour of listening to the details of the story and the usual "fabrications" (lies to some of you) that go with a fish story we found out it was a 15 pounder that caused all the concern for Al. Well that's only normal for every fisherman who catches his first Salmon of any size. They are a game fish and will put up a game fight especially when caught on light tackle.

Rifle Range

This Sunday will see the dream on many shooters for years realized. The San Francisco Rifle Association and the Park Commission will open their Rifle Range at Sharps Park. It is a public range and will be available to everyone. This fall the National Rifle Association will hold their National matches there and will attract shooters from all over the country to this area.

(Last Wednesday the first meeting of the Daly City Junior Sportsmen was held and it turned into a very enjoyable affair. The kids all ranging from 12 years to 17 years were introduced to their instructors and a brief outline of the program that is planned for them was explained.

Guest speakers of the evening were Captain Ed Moore of the Reserve Patrol of the Fish and Game; Dud Lawrence, who is president of the Associated Sportsmen of California; and Herbie Jacobsen, past commander of Sportsmens post of the American Legion. Herb, Dud and Ed are all interested in the activities of the Junior program and will give any help that is asked of them.

The boys saw the color and sound movies "Realm of the Wild" thru the cooperation of the U. S. Dept. of Agriculture's Regional Forrestry Service. A by-laws committee was appointed to draw up a set of rules and regulations for the organization. The Chairman of the Committee is Glenn Broulette and Clay Smith, Dick Barnes, Del Andrade, Paul Hopkins and Jimmy Lund will be his committeemen.

They will hold a meeting Tuesday and present the club their plans at the next meeting which is June 21 this Wednesday at the Daly City Recreation hall 337 Bellevue Ave. and the time will be 7:15 sharp.

Any boys interested should come up there and see what is going on and if they wish we will give them an application blank to fill out. The boys will hold an election of officers the last meeting in July and will run their own meeting from then on. All parents who are interested in their sons activities should come to a meeting or two and find out just what the boys are doing and what their plans are.

DRIVE-IN MOVIE OPENS

New Geneva Theatre Stages Grand Opening This Evening, June 15

Geneva Drive-In, San Francisco's newest outdoor movie, situated next to the Cow Palace at 2150 Geneva avenue, between Mission street and Bayshore boulevard, will have its grand opening June 15.

Completely modern in its fresh air appointments, the Geneva, an "ozoner" with double ramp facilities and accommodations for 800 cars, will feature a projection throw that is said to be the longest in Northern California. In the tradition of its next door neighbor showplace, the Livestock Pavilion, the new theater's long range projection lens will lasso the screen from a record distance of 512 feet.

Both the theater's projection booth and its spacious confection room are located in the old Bayshore Dog Track grandstand which has been renovated and enclosed. The confection counter is speaker equipped and has a plate glass window facing the screen for motorists who wish to stretch their legs and view the picture.

The opening screen attraction will be "Singing Guns," colorful outdoor musical starring Vaughn Monroe as the gun and note toting cowboy who tames tough hombres while turning the wild West into a lively vocal range. Box office opening time is set for 7:00 p.m. tonight.

The Geneva is owned and operated by Bay Cities Amusements, Inc.

Army Given Breakwater Plans

Plans for the $4,000,000 Pillar Point breakwater harbor construction have been forwarded to the United States army corps of engineers in Washington, D. C.

The plans are substantially those previously disclosed for the breakwater and harbor, and the local cooperation envisages expenditure of approximately $500,000 as the county's contribution.

Congress has approved the project, but no appropriation for the beginning of construction is expected before next year.

Coming... Flagpole Sitter's Delight

With construction plans nearly completed for the Farmers' Market at Alemany blvd. near Bayshore and with work scheduled to begin sometime during the fall, the tallest flagpole in San Francisco will be erected in the modernized market, the Farmers' Market Advisory Board announced today.

Proposed by farmer representatives and approved by Chief Administrative Officer Thomas A. Brooks, the flagpole will honor John G. Brucato, founder of the Farmers' Market and present chairman of the Farmers' Market Advisory Board. Location will be at the entrance of the market and will be visible for many miles in that vicinity.

Cost of the flagpole will be underwritten by the farmers and the funds will be turned over to the city to be included in the capital expenditures.

The Farmers' Market will be seven years old in August. Through many years of strife and controversy its destiny has been guided by Brucato to a point where now it has entered into a period of peace and public service.

TROUT ANGLERS TAKE LIMITS

Trout anglers have been taking limits during the past few days from Lake Alpine up in Alpine county, according to the National Automobile club. Most of the fish have been running to a fair size.

AUTOMOTIVE INDUSTRY SETS RECORD

The American automotive industry produced a total of 2,196,802 motor vehicles during the first four months of 1950 to establish a record for the period, reports the National Automobile club. This total of 2,196,802 motor vehicles during the first four months of 1950 to establish a record for the period, reports the National Automobile club. This total was made up of 1,797,996 passenger cars, 397,987 motor trucks, and 819 motor coaches, and represents an increase of 77,625 motor vehicles over those produced in the first four months of 1949 and an increase of 136,802 motor vehicles over those produced in the first four months of 199, the previous high.

Most "Break Out," But They Want In

While most boys were looking forward to "breaking out" of school this week, three youths were caught trying to gain entry to the Brisbane school.

The boys, ranging in age from 11 to 14, were discovered Saturday smashing windows in the Brisbane elementary school. Police Chief Dan Case said 25 windows were broken with B. B. guns and rocks.

Although they had gained entry, the boys were apprehended before they could take anything, Chief Case said. An unidentified resident, who heard the windows breaking, called police.

The boys have been turned over to the county juvenile authorities.

Red Cross Does Not Forget Vets

The world of forgotten men—thousands of veterans in hospitals all over the country!

In an article in a current magazine, an authentic investigator painted a pathetic word picture of how many of these men are completely neglected by family and friends. In sharp contrast to this picture are the scenes at Veterans' Hospital in Palo Alto every Monday afternoon. Members of the Gray Lady Service of the Red Cross take a day a week out of their busy lives to bring cheer and comfort to these men—little attentions which loom large in the lives of "shut-ins."

Three of the San Mateo county chapter's corps trek to Letterman General Hospital in San Francisco every Monday. There they take part in the same sort of activities as those at the Palo Alto hospital.

There is need for many more volunteers to take part in this program. By calling Elizabeth Mack, chairman of Volunteer Services for the San Mateo county chapter, American Red Cross, DI 3-4561, information about the work may be obtained.

Human Relations Course Offered

Planning for effective human relations in school and community life is the purpose of the summer Workshop in Human Relations at San Francisco State college, June 26-August 4. Co-sponsors with State college of the workshop are the Anti-Defamation League of Bnai Brith and the National Conference of Christians and Jews.

Teachers and teams of PTA and community leaders from northern California communities will participate. Workshop director is Margaret Heaton, director of the human relations program in the San Francisco public schools.

Further information and applications for the workshop can be obtained by writing to Margaret Heaton, director, Workshop on Human Relations, San Francisco State College.

Incorporation Of Coastside Considered

Incorporation of north coastside cities is still under serious consideration today.

Last Friday the North Coastside Lions club held the third public meeting on incorporation to be held within the past few weeks.

Bert McKinney, Lions club chairman, presented a tentative budget for the proposed city and compared it with revenue to be expected.

Space next to the post office may be used for public offices, it was announced. Anyone interested in the movement may call this office at Sharp Park.

High Industrial Employment In May

The highest peacetime May employment in California manufacturing industries was recorded last month, Paul Scharrenberg, Director of the Department of Industrial Relations, announced today.

In May, 724,300 wage and salary workers were employed in California establishments. This was 11,900 higher than in April and was 27,300 above May, 1949, when 679,000 were employed in California industrial plants.

The record May level was chalked up despite a seasonal decrease in canning, and a further substantial reduction in the apparel industry.

Particularly significant was the fact that the durable goods manufacturing industry reported higher employment in May than April. The total number of wage and salary workers in plants turning out durable goods products, such as lumber, furniture, iron and steel products, transportation equipment, and machinery rose to 396,500 in May, the highest level since December 1948.

What Makes A Family Or National Dictator? --- Scientists Have Answer

The authoritarian personality, the type of human being most susceptible to forces which threaten the survival of democratic civilizations, is surprisingly different from the popular conception.

An extensive investigation by social scientists has revealed him to be not the aggressive superman of Nazi propaganda but an outwardly meek, conventional soul who seeks to identify himself with the powerful. These are findings published in The Authoritarian Personality, a report on several years of research in the field of human personality.

The authors are R. Nevitt Sanford, professor of psychology, and Else Frenkel-Brunswik, lecturer in psychology, on the Berkeley campus of the University of California; T. W. Adorno, senior member of the Institute of Social Research; Daniel J. Levinson, assistant professor of psychology at Western Reserve University.

By means of questionnaires, psychological tests, and interviews the scientists were able to discover why, in a democratic society like our own, broad sections of the population still entertain totalitarian ideas and harbor ill-will for human beings who happen to differ from them in race, religion, or national origin.

The composite picture they developed of the authoritarian personality portrays him as a seemingly meek, conforming individual who nevertheless has a rigidity of outlook that goes with a lack of insight.

He tends to make hasty generalized judgments, lump people into categories and label them accordingly. The bigoted or rigid manner of his thinking is not only apparent in his attitude toward other racial or religious groups but also towards his wife, his children, his politics or any other aspect of life.

When his experience contradicts his rigid concepts and prejudices he does not change them but instead invents reasons for the other person's behavior which strengthens his own prejudices.

The authors found that the development of authoritarian characteristics in most such persons is due to a harsh discipline and lack of deep affection and understanding in their childhood. Such a person grows up with a sense that the world is dominated by inexorable power, symbolized by his parents, and wanting love at any price, he attempts to get it by unquestioning obedience.

Deprived of understanding and real emotional experience, he becomes dependent upon authority for his judgments and his responses and continues to seek symbols of authority as a substitute for parent-authority.

The authors expressed the opinion that the authoritarian personality respects and is submissive to authority because it symbolized strength and power, not because it is worthy of proper authority.

UC Offers Summer Driving Course

An institute in driver education designed to provide high school teachers with the necessary information to teach driving courses will be held on the Berkeley campus of the University of California August 7 through 11, it was announced today.

In charge of the course will be Herbert J. Stack, New York University; Marland K. Strasser, Association of Casualty Companies, New York; and Amos E. Neyhart, Pensylvania State College.

The Institute will be sponsored by the University's Department of Institutes, Institute of Transportation and Traffic Engineering, School of Education, Division of Engineering Extension, State Department of Education, State Department of Motor Vehicles, Bureau of Safety Education, California Highway Patrol, and State Department of Public Works.

Teachers desiring to attend the Institute, which will offer two units of credit, are asked to write the Department of Institutes, University of California Extension, Berkeley 4.

Vocation Training Offered By Navy

The Navy assures qualified high school graduates of a course in one of its many vocational schools upon completion of their basic recruit training.

Each graduate who qualifies may have an opportunity to serve in the Surface, Air or Submarine Branch. In addition to Basic Submarine and Airman schools there are over 30 other schools available.

You will be interested, also, to learn that more than 40 per cent of the officers serving in the Navy today are former enlisted men. This means that there are real opportunities for advancement through the enlisted channels.

The Navy affords excellent opportunities in training, education, world travel, adventure, good pay, retirement benefits and security, added to free food, clothing, medical and dental care. To help you plan your future you are invited to examine the United States Navy Occupational handbook in your school library. In the meantime you are encouraged to stay in school, graduate and go on to college if you can—and—join the United States Naval Reserve.

Complete information about the regular Navy and the Naval Reserve can be obtained by telephoning or visiting the U. S. Navy Recruiting Station at Post Office Building, San Mateo. Phone DI. 4-2781.

Juveniles Employ Hot Foot, Bottle

Broken bottle in hand, an 18-year-old Daly City boy last Sunday threatened to "knock off the head" of two Daly City men, Henry Mack and Pete Murphy, police report today.

The two men were sitting by the railroad tracks when the juvenile, and a 17-year-old companion, began to molest them, police said. Before they left the two elderly men, one of the boys gave Mack a "hot foot."

This is one of the first cases of juvenile delinquency reported in Daly City in many months.

Police reprimanded the boys, but no citations were issued.

San Francisco To Mark 174th Birthday June 29

On Thursday, June 29, San Francisco will mark its 174th birthday with appropriate ceremonies in the Presidio and at Mission Dolores, two of the city's oldest landmarks.

A citizens' committee composed of representatives of 20 civic organizations, under chairmanship of Mrs. George A. Applegarth, is in charge of arrangements for the commemorative event, to which the public is invited.

Now, See All The Bay From SF Twin Peaks

Visitors to San Francisco, even near-sighted ones, soon will be able to "see all the Bay from Twin Peaks."

The Board of Supervisors has approved lease of a strip of city owned land along the easterly side of Portola Drive observation road for installation of coin-operated binocular machines.

BEAUTY AND THE SKUNK AT RODEO

"I've been a bad boy," admits this skunk as he hangs his head with shame over the arm of Joanne Phillips, Sweetheart of the California Rodeo. The skunk is property of Slim Pickens, Canoga Park clown bullfighter, scheduled to appear at the big Salinas Show, June 22 through June 25.

Grocers Feature Eat In Sun Sale

Grocers throughout this area are offering housewives this weekend an opportunity to take advantage of many bargains with a special sale on Best Foods Real Mayonnaise and many other salad items in presenting an "Eat in the Sun Sale."

Special displays have been built in all the markets in this area, and are being offered at very low attractive prices for real savings. A special edition of the "Menu Planner," an eight-page recipe booklet, has been published for this special sale and can be obtained from your grocer. This new edition of the Menu Planner is crammed full of new ideas for salads, sandwiches, and many more ways of preparing delicious foods with Best Foods Real Mayonnaise.

When it comes to salad-time menu planning, there is something appetizing and refreshing about the very name "mayonnaise," Pleasant mental pictures appear at the mention of that phrase so familiar to every good cook: "and add Best Foods Real Mayonnaise."

We think of smooth, ruddy tomatoes, lolling in beds of green, of chilled wedges of grapefruit, pinwheel fashion on a crystal plate and separated by black bing cherries; tapering asparagus fingers, patricial on a pottery platter. These and dozens of other summer luxury delights are not quite perfect of themselves but become super-perfect once you've taken the final step of adding Best Foods Real Mayonnaise.

Best Foods Real Mayonnaise, of course, if that touch-of-elegance that puts mere run-of-the-mill salad dressing completely in the shade. It's that special smooth topping for salads made of freshly broken eggs and more egg yolks, fresh-pressed vegetable oil, fragrant vinegar, all blended and whipped and served to a Queen's taste to tempt our appetites.

Best Foods Real Mayonnaise, it should be emphasized, is all eggs and oil, flavored with vinegar and spices. It contains no starchy fillers. It is so rich and full-bodied that you, yourself, may add what you wish to vary it or to give it a special flavor, but you can be sure that you start with a product made with fresh eggs and added egg yolks, with the freshest of fine vegetable oil, and fine aromatic spices.

Best Foods Real Mayonnaise as it comes to you is a perfect food. "As is" it leaves no room for complaints. Yet for you who like variety it need never be twice the same. Serve it each time in a new guise, rich with coarse-sieved crumbs of cheese, colorful with chopped cherries, nut-studded with fine-cut pecans or pistachios. Add the tiny clipped ends of your pot of chives, the deeper green of an occasional caper. Toss in a half-cup of vitamin-rich sour cream to fluff it up, or blend it smoothly with lemon juice for extra tang. There's simply no end to the tricks you can perform starting with your magic jar of Real Mayonnaise and supported by other taste-appealing props as meet the occasion's need.

Swimming Classes Open At Jeff High June 19 --- 11½-Hour Course Open To All

Swimming classes will be held at Jefferson Union high school swimming pool between June 19 and August 11, 1950.

There will be morning classes of instruction only. The fee will be $2, for the course of eleven half-hour lessons including instruction, use of suits, locker, dressing rooms, and pool facilities.

Registration will be at Jefferson Union high school swimming pool office on Saturday afternoon from 2:30 to 4:30, or any week night 7 to 9:30 until the deadline for each course. Registration may be mailed in, but registration in person is more satisfactory. Enrollment will be limited; so register early to avoid disappointment. For information, call Plaza 5-2511 and ask for Mr. South during the day, or Mrs. Van Vliet if you call at night.

Coach Glenn South today reports the enrollment in the first session almost completed. However, there are still a few vacancies, and those wishing to take part are asked to register immediately.

Because of the depth of the water, no one under 4 ft. tall can be accepted for instruction. Children must be old enough to follow group instructions and not require individual attention. The size of the groups will be limited to sixteen in a group. There will be a class for adults.

Anyone who attends the first 10 sessions will be given one free swim on the 11th day provided students have made satisfactory improvement and instruction is completed. It is requested that no one register for more than two courses. American Red Cross Certificates will be issued by the San Mateo county chapter upon completion of the course.

Registration cards may be returned to Jefferson Union high school pool, 6996 Mission St., Daly City, 25, in person, or by mail c/o Mr. Glenn South, at least 10 days before the beginning of the class.

Plan to be there at least 20 minutes before the time scheduled for the class in order to be ready for class on time. Late comers may not be admitted. Checks should be made out to: Jefferson Union high school.

Four courses.

1. June 19 to June 30—daily except Sunday (11 days).
2. July 1 to July 15—daily except Sunday (11 days). Not open July 3rd and 4th.
3. July 17 to July 28—daily except Sunday (11 days.
4. July 31 to August 11—daily except Sunday (11 days).

HOCKEY ON HORSEBACK

By Ridgely Cummings

If you read on down you will learn something about how it feels to be thrown off the back of a horse and catapulted through space but right now I'd like to give you the benefit of some research on polo.

This piece is about an equestrian game, played on a 900 by 450 foot field, whose object is to knock a wooden ball 3 1/8 inches in diameter through goal posts 24 feet apart. The best authorities differ but at least one of them insists that polo is the most ancient game man plays with stick and ball.

Gerry McClean, captain of the Press Club Polo Team and picture editor of the Examiner, says no, the American Indian game of lacrosse is older.

A heavy tome which I consulted as part of my preparatory training for playing on the team, the 1932 edition of the Encyclopedia Britannica, says that the name of polo is derived from "pulu," a Libetan word meaning ball. It says polo is the great-grand-daddy of the mall and that hockey, Irish hurling, golf and cricket are all derived from it.

200 Years Old

The Encyclopedia Americana, 1944 edition, makes no claim that polo is the oldest of stick and ball sports but says it is of great antiquity, that it originated in Northern India and that it was played in Persia before Christ.

According to this source polo was introduced in England in 1870 by army officers from India and was brought to America in 188.

The Britannica on the other hand says it came to England in 1869, brought by the 10th Hussars, and was imported to the U. S. in 1884.

Still another source, the New International Encyclopedia, 1927 edition, says that James Gordon Bennett, publisher of the New York Herald, introduced polo to the U. S. in 1876.

Although differing on minor details, all three books agree that the game is an ancient one and that Americans and Englishmen have been playing it less than a hundred years.

Having done this much preparatory research, last week I went into physical training for the great contest scheduled for July 2 at the polo grounds in Golden Gate park.

Develops Nerve

Captain Gerry McClean and Stu McClure, police reporter for the paper some people refer to as Monarch of the Dailies, have long been agitating for greater local participation in polo. They maintain, and justly, that the sport requires in addition to horsemanship, some estimable qualities, namely nerve, endurance, judgement, quickness of observation and control of temper.

Apparently they want Press Club members to acquire more of these fine traits.

An idealist myself, I'm all for this so when Gerry heard that I used to play in my long-distant youth and asked me to come out for the team, I agreed to sacrifice the seat of my pants to a worthy cause.

The idea is that on the first Sunday in July two teams of journalists and allied scribes will clash before the public eye. One team will represent the Press Club and the other reporters of the city's so-called working press.

For my first workout I went to the St. Francis Riding Club on Seventh street near Fulton. There Art Tisdale, who plays No. 4 man on Will Tevis' team, assigned me to a gelding named Ladie. This horse is reputed wise in the tricks of polo and Art thought it would be a good idea for me to get used to him and vice versa.

I hadn't been on a horse since before the war and didn't even know the route from the stable to the bridle path but fortunately a young man named Mike Flynn was just about to ride out to exercise a fine-looking mare named Pandora for a wealthy woman. I rode with him.

Pride Before Fall

For half an hour or so Mike and I and our respective horses got along charmingly. We walked, trotted and galloped and I began to think I had recovered what horsemen call their "seat." But pride rideth before a fall.

After fooling around the polo grounds Mike and I started galloping toward the beach. At 41st street there is a break in the bridle path, where asphalt crosses it. Laddies knew about this but I didn't. He put on the brakes, all four feet planted firmly, and I went over his head.

Mike Flynn, who was behind me, said I described a perfect somersault. I wouldn't know. I landed on my back, the top part of my shoulders hitting first and then the rest of me, as easily as a circus tumbler. How I managed to disentangle myself from reins and stirrups and tuck my head under while in flight is a mystery.

I was facing 41st street when I took off and was looking back up the bridle path when I landed so Mike must be correct about that somersault.

Testing for Breaks

I sat up and felt my bones to see if any were broken, then looked at Laddie, who was standing with a guilty expression some twenty feet from me, apparently the distance of my parabola through the air. While I was testing my skeletal framework Mike rode over to capture Laddie's reins.

Laddie let him get nearly within reaching distance and then wheeled and plunged into the brush. We spent the rest of the afternoon trying to catch him. Involved were Mike, myself, a handsome Norwegian riding instructor named Thor, a rider named Don and a teen-aged equestrienne named Sally.

By the time the horse was back in the stable I felt like an old hand at the St. Francis Riding Club, having got to know most of the personnel. I'll tell you more about them in later columns.

Meanwhile let me conclude with this observation: Polo is not hockey on horseback as the anti-horse faction would have you believe. On the contrary, hockey is merely polo on foot.

SALMON ANGLING GOOD

Salmon anglers have been enjoying some first-rate sport during the past week in the waters off San Francisco, according to the National Automobile club. Most of them have been bringing in sizable fish of good color.

Uncle Sam Wants Second Payment

The second quarter payment on Estimated Declarations of Income Tax liability for 1950 is due by June 15, Collector of Internal Revenue James G. Smyth of the First California District said today.

Statements have been mailed and should be in the hands of persons required to make the June 15, payment. The statement should be returned with the check. Personal checks, money orders, or cashier's checks may be used. Cash should not be sent through the mail.

Declarations of Income Tax liability on 1950 earnings must be filed by persons receiving wages subject to withholding tax in excess of $45000 plus $600 for each exemption. For example; a single person with no dependents is required to file an Estimated Declaration if his wages are expected to exceed $5100 for the taxable year. A married couple, with no dependents, must file an Estimated Declaration if their total income, all from wages subjected to withholding tax are expected to exceed $5700 for 1950. An additional $600 is allowed for each dependent.

Persons receiving income in excess of $600 with a $100 or more of this amount not subject to withholding tax are required to file Estimated Declarations. Income from rents, dividends and royalties are not subject to withholding tax.

Agricultural labor and domestic servants are required to file Estimated Declarations if their total income for the year is expected to exceed $600. Wages for persons in these occupations are not subjected to withholding tax.

Anyone realizing a profit from the sale of a home or any other asset in excess of $100 and having sufficient income to require the filing of an income tax return, must file an Estimated Declaration.

Husband and wife may file a joint or separate Declaration. This does not effect their elections to file a joint or separate final return by March, 1951.

If the tax is overpayed refunds will be made when the final return is filed by March 15, 1951.

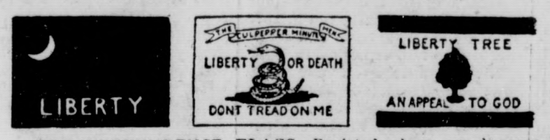
O. B. Hempstead Thanks Daly City Voters

County Assessor O. B. Hempstead, who was retained in office at last Tuesday's election, this week expressed his thanks to voters who showed confidence is his administration by favoring him with their support at the polls.

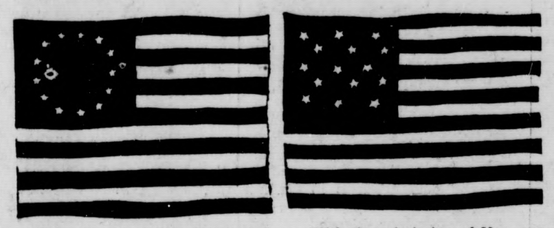
He also thanks the newspapers, his sponsors and the hundreds of volunteers who worked in his behalf in the weeks' previous to the election.

"It will always be my aim," Hempstead said, "to see that the duties of the assessor's office are carried out honestly, efficiently and with fairness to all."

Picture Story of U. S. Flag



PRE-INDEPENDENCE FLAGS—Depicted above are banners carried by American patriots when they first took up arms in 1775. At the left is the blue flag with its white crescent which was nailed to the staff at Fort Moultrie by Sergeant Jasper. In the center is the Rattlesnake Flag of the Virginia minute men at Culpeper. At the right is one of the New England pine tree flags.



This is the first Stars and Stripes. The Continental Congress on June 14, 177, resolved: "That the thirteen United States be thirteen stripes, red and white; that the Union be thirteen stars, white on a blue field, representing a new constellation." According to legend the five-pointed stars were designed by Mrs. Betsy Ross.

With the admission of Vermont and Kentucky to the Union two stars and two stripes were added to the flag following an Act of Congress in 1794. It was a flag of 15 stars and 15 stripes over Ft. McHenry that inspired Francis Scott Key to write "The Star-Spangled Banner." Congress in 1818 restored the original number of stripes.

VA Office Moves To San Francisco

The State Department of Veterans Affairs office which handles the educational assistance program for veterans and dependents of deceased veterans in the central coast and bay counties areas has moved from Oakland to San Francisco, it is announced by Director of Veterans Affairs D. J. Callaghan, Jr.

The new Division of Educational Assistance location is Room 413, 515 Van Ness avenue, adjoining the San Francisco office of the same department's Division of Farm and Home Purchases. The telephone number is UNderhill 1-8700.

The office serves the following counties: San Francisco, Alameda, Contra Costa, Marin, San Mateo, Santa Clara, Santa Cruz, Monterey and San Benito. Robert A. Gilmore and J. D. Murchison are the field representatives in charge.

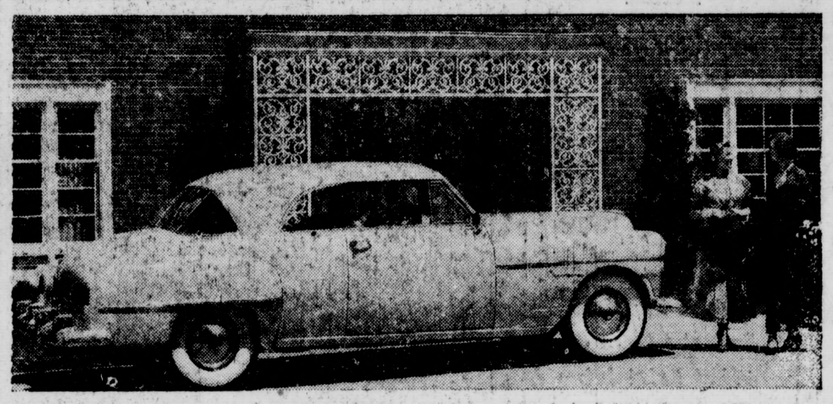
COME TO THE NEW, PERFECT SHOWROOM TO SEE AMERICA'S FINEST CARS

NEW CHRYSLER "HARDTOP"



Popular "hardtop" styling has now been made available in Chrysler's New Yorker and Windsor lines. The sleek body style, shown here in the New Yorker Newport, combines the safety and comfort of the sedan with the smartness of the convertible. Open-car effect is accentuated by side windows and window frames which lower completely out of sight. Maximum rearward vision is provided by the "Clearbac" rear window which curves well into the permanent steel top.

Beer Thanks Voters

Fred E. Beer today thanked the voters who elected him as county controller Tuesday.

In a letter to the "Record," Beer said:

I deeply appreciate the vote of confidence given me by the people of San Mateo county. I shall continue to operate my office honestly and efficiately in the future as I have in the past.

June 23-24: Solana Beach Fiesta, Solana Beach.

WATCH SECOND TRACK AT RAILROAD CROSSINGS

Watch out for that second track at railroad crossings, advises the National Automobile club. All too many motorists have been careful about the train that was passing, then ventured onto the tracks without seeing that second train.

Red Cross Chairman Named

Mrs. Jeptha Wade, chairman of the Nursing Services committee of the San Mateo county chapter, American Red Cross, has announced appointment of a nurse recruitment chairman, Mrs. R. J. Reitzel of San Mateo.

The Red Cross must have registered nurses in its distaster preparedness and relief setup, which includes a plan of where and how each nurse would serve, in case of an emergency. Nurses are also needed as teachers for home nursing courses. The board of governors, of the American National Red Cross, is stressing this program which includes classes in "Family Health and Care of the Sick in the Home" and "Mother and Baby Care." Because of the shortage of doctors and nurses, the goal of National Red Cross is to have one member of every family trained in home nursing.

Red Cross nurses must also be available in case of polio epidemics.

The objective of Mrs. Reitzel's committee is to register all nurses, both active and inactive, in the chapter area, as Red Cross nurses.

A nurse may become a Red Cross nurse by serving a prescribed number of volunteer hours in one of the chapter services . . . motor service, staff aides, safety services, junior red cross, public information, etc., thus she "wins her pin" by service.

A class for training registered nurses as teachers of home nursing unit I, "Family Health and Care of the Sick in the Home," will be given at Sequoia June 19 to 27 inclusive. There is a great public demand for these classes but, at present, not enough teachers are available.

Information about the nurse recruitment program may be obtained by phoning chapter headquarters, DI 3-4561.

TROUT FISHING GOOD ON MONO COUNTY LAKES

Trout fishing was good on Mono county lakes last week, according to the National Automobile club. Best sport was being had on June, Gull, Parker, Topaz lakes, and on Upper Twin Lakes at Bridgeport.

TROUT ANGLERS HAVE LUCK ON SMITH RIVER

Trout anglers have been taking good catchers of cutthroats at the mouth of the Smith River in Del Norte county during the past few days reports the National Automobile club.
